STRIKE SITUATION GROWS IN GRAVITY

Strikers at McKee's Rocks Get Intoxicants and are in Ugly Mood.

NUMEROUS ARRESTS HAVE BEEN MADE

Many of the Foreign Element are Leaving the Region for Other Places.

Pittsburg, Pa., July 16.—Although little disorder marked the forenoon the gravity of the strike situation at the plant of the Pressed Steel Car company was apparent. Many of the foreigners succeeded in smuggling intoxicants to the mill settlement and the state constabulary arrested all who had indulged. The mass meeting held on the Indian mound in the morning adjourned at noon with the appointment of a committee of fifteen strikers to confer later with the company officials.

Owing to the disorder and bloodshed a sincere effort will be made by both sides to adjust the differences. The exciting scenes had their effect on some of the foreign element. A number of them are leaving the district and could be seen today with their earthly possessions strapped to their backs departing for other places.

No Attempt to Operate Plant.

The tenseness of the situation has caused a postponement of an attempt to operate the plant with other men.

During the day a large number of arrests were made by the state police who were repeatedly attacked by strikers. Twenty prisoners were brought to the county jail charged with rioting and others were locked up in a box car at the plant.

Throughout the morning street cars, all vehicles and pedestrians were held up by the strikers, who were watching for the rumored importation of strike-breakers. Efforts were made today to distribute guards in positions that would prevent a recurrence of rioting after nightfall.

Every approach to the big plant is guarded by the men and every one is compelled to satisfy the strikers that they are not seeking employment. With the coming of daylight rioting ceased. For several hours conditions were quiet and many of the strikers were at their homes getting sleep. By 9 o'clock, however, the streets again took on a lively aspect.

In More Ugly Mood.

The strikers in even a more ugly mood began gathering around the various entrances to the mill. Reports were in circulation that an attempt would be made to resume opertions in a portion of the plant at least. This caused the holding up by the strikers of the street cars, wagons and persons unknown to the men in their search for strike-breakers. Squads of state constabulary rode through the town as the strikers were congregating at the gates of the plant. No violence was offered and the state police took up a position at the upper end of the town. At the first sign of rioting the troopers are under orders to ride into the crowds and to shoot and shoot straight.

At 9:30 the groups of idle workmen had increased to such an extent that an order was given to clear the streets. The constabulary in squads of ten scattered the strikers in all directions. The troopers were showered with bricks and several of the police were slightly hurt.

Twenty-two men charged with rioting were brought from McKee's Rocks to the county jail by Sheriff Gumbert today.

Injured Number Fifty.

The number injured as a result of the disorders late last night and today will total close to fifty. Several are nursing bullet wounds, but the majority were bruised and cut by constabulary who rode into the crowd. Great confusion resulted during the charges of the state police. At one time fully 10,000 men, women and children gathered at a large gate of the works. Stones were thrown into the

THAW ELATED OVER PROSPECT FOR TESTIFYING

Prisoner Believes He Will Make a Hit With Judge in His Case.

White Plains, N. Y., July 16.—Harry K. Thaw, who will remain here in the county jail until the hearing to determine his sanity is resumed on July 26, before Justice Mills is apparently highly elated over the prospect of going on the witness stand and telling his story under fire of a rigid questioning by the state's attorneys and alienists, and Thaw said today:

"I will demonstrate easily that I am sane when I get on the stand. I am more than anxious for the ordeal. It is the chance I have prayed and hoped for. Now I feel that Judge Mills will be able to see that my contention that I am sane is valid."

Speaking of his wife's testimony against him Thaw said he felt no animosity toward his wife and had no idea of cutting off her allowance of $500 a month.

FATE IN NUMBERS? A SKIDDOO BATCH

Twenty-Three Republican Congressmen Storm White House.

TELL PRESIDENT HE MUST SAVE 'EM

Fellows from North and South Beg for No Free Raw Material List.

Washington, July 16.—The white house was stormed today by a delegation of twenty-three republican congressmen who spent an hour and a half with the president telling him that their very political lives depended upon the protection of raw materials.

It has become pretty generally known that the president has expressed himself quite freely as favoring the free entry of hides, oil and coal and material reductions on lumber, etc. Many of the congressmen who composed the delegation represent southern districts.

With Tears in Their Eyes.

They told the president almost tearfully that they had been elected on the theory that they would protect raw materials in which their people were interested and that if the party failed to do this their districts would flop back again into the democratic column. Mr. Taft listened patiently. Representative Hayes, of California, made a speech in favor of protecting iron ore, for instance, but the president said he suspected Mr. Hayes of being chiefly interested in lemons. The range of the discussion covered every known variety of raw material. When it was all done and through with the president stated his position. He said that he favored protection where protection was necessary and that where protection no longer was needed he was in favor either of greatly reducing the duty or removing it altogether. "It is merely a question of facts, gentlemen," said the president to the congressmen, "and in the light of facts we all want to try to do the right thing."

What They Represented.

The spokesmen of the valiant twenty-three were Representatives Young, of Michigan, who dwelt upon the necessity of placing a high duty upon iron ore; Mondell, of Wyoming, who is particularly interested in coal; Gaines, of West Virginia, speaking for coal and iron; Langley, of Kentucky, for coal and lumber; Cowles, of North Carolina, for lumber; Austin, of Tennessee, for coal, iron and lumber, and Hayes, of California.

Mr. Langley put the matter squarely up to the president as a question of political expediency.

"We come from democratic states, some of us," said Mr. Langley, "but we were elected as republicans who believe in the protection of raw materials. If we fail to protect our constituents, we will be 'revised downward'—into private life."

President Taft remarked dryly that he was as much interested in republican success as any one could be.

REV. KEMP APPEARS TO BE GOING A GOOD CLIP

Late Episcopal Pastor of Chicago Arrested in New York.

New York, July 16.—The Rev. Morris M. Kemp, formerly connected with Episcopal churches in this city and Chicago was arrested early today on a charge of intoxication, following troubles which arose in the apartments of William Detschel, a former choir boy, whom Kemp was visiting. Detschel also was arrested accused of stealing the clergyman's ring. Kamp was for 17 years curate of St. Paul's church in this city and more recently, rector of St. Chrysostom's Episcopal church in Chicago. It is alleged that Kemp met Detschel, whom he had not seen for several years and went with him to his apartment to see his four day old baby. While there trouble arose and the double arrest followed.

Both the preacher and young Detschel were discharged by Police Magistrate Cornell today. The magistrate said that the police committed an error in arresting Kemp for intoxication, since it was not a "public offense" if committed in a private house. Kemp declined to accuse Detschel of stealing the rin

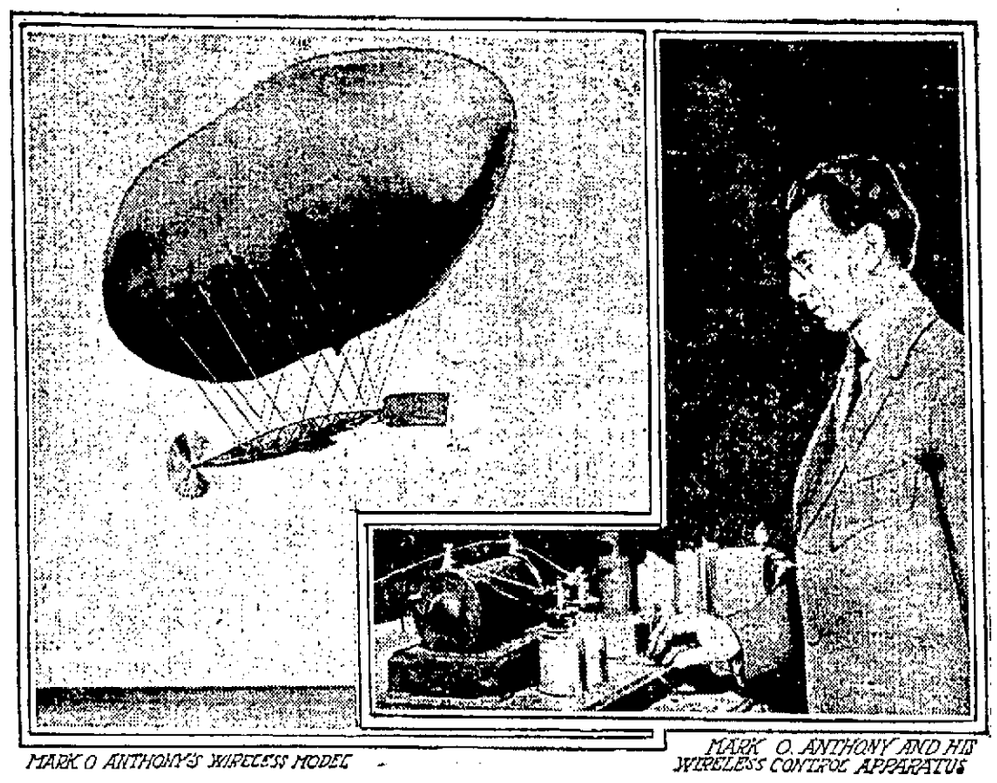
ROOSEVELT BAGS BULL HIPPO.

Naivasha, British East Africa, July 16.—Theodore Roosevelt, who is at present hunting on the south shore of Lake Naivasha from the ranch of Captain Richard Attenborough, succeeded yesterday in bringing down a big hippopomatmus. The animal is estimated to weigh three tons.

SOCIAL CLUB ORGANIZES.

The Wayne Progressive club, a social organization, filed articles of incorporation with the secretary of state at Indianapolis yesterday. The following are named as directors: John V. Linker, Edwin Kuhl and Charles Hunsche.

DIRECTS COURSE OF DIRIGIBLE BALLOONS BY WIRELESS TELEGRAPHY.



MARK O ANTHONY'S WIRELESS MODEL

MARK O. ANTHONY AND HIS WIRELESS CONTROL APPARATUS

New York, July 16.—In a private test before representatives of one of the European governments, Mark O. Anthony, an electrical engineer, last Saturday afternoon succeeded in sending a small dirigible balloon, controlled by wireless electricity, out over the ocean near Sandy Hook, a distance of one mile and a quarter, directing the movements of the craft by manipulation of an ordinary keyboard on the beach.

Persons who say the experiments from a distance of several thousand yards state that during some of the flights a brisk breeze was blowing in shore, but that the little dirigible, with its large propeller, at all times made good headway and appeared to be much steadier and to travel faster than a larger craft they had seen, which was operated by a pilot aboard.

BRITISH INDUSTRY FACES PARALYSIS

Million Miners May Quit Work in Support of Scottish Strikers.

UNION OF MINERS VOTING ON ISSUE

General Strike Would Put All Industry in State of Prostration.

London, July 16.—The miners confederation of Great Britain after a prolonged meeting has decided in favor of balloting its million members as to whether or not a national strike shall be declared in support of the Scottish miners, who are resisting a wage reduction of six pence a day. The ballot will not be completed before July 27 and the executive committee of the confederation will meet July 28 to take action on the result. The present feeling seems to be in favor of the stoppage of all mines, a condition which would entail practically the complete paralyzation of British industry. In view of the consequent expected shut down and shortage of coal supply many factories already have served notice to their employes of termination of contracts.

CLOSING UP GINGLES CASE.

Fate of Irish Lacemaker Will Be With Jury Tomorrow.

Chicago, July 16.—The puzzling case of Ella Gingles will be placed in the hands of the jury tomorrow afternoon, according to present plans. Assistant State's Attorney Short, who presented the main part of his argument yesterday, concluded today, and P. H. O'Donnell, senior counsel for the defense, began his plea for the defendant.

Mr. Short will close tomorrow forenoon and after hearing the instructions of Judge Brentano the jury will retire.

"Mr. O'Donnell may argue to you that the wealth of detail given in Miss Gingles' story shows its truth," said Mr. Short, "but don't be deceived. She is a natural liar. She has demonstrated that she has a vivid imagination and a fertile mind."

Mr. Short then took up the story of the alleged attack on Miss Gingles, declaring that according to the evidence of medical experts it could not be true.

TOLL OF DEAD IS SIX.

No More Bodies Found in Ruins of Philadelphia Building.

Philadelphia, Pa., July 16.—An all-night search of the ruins of the five story building at Eleventh and Market streets, which collapsed yesterday afternoon failed to reveal any more victims, the number of dead standing at six and the injured at twenty-three. With the exception of three who are in a very serious condition, all the injured were reported improved today. The city authorities today began an investigation into the cause of the accident.

MRS. BUMP IS IMPROVING.

No Request Made by Relatives to Remove Her Home.

At the Lutheran hospital today the attendants stated that Mrs. Ralph Bump is making a rapid recovery from the effects of the carbolic acid she swallowed at her home in Lafayette township Sunday night and will be ready to leave the institution in a few days.

Prosecutor Thomas said that he had not been consulted about her removal and had taken no action in the matter as he is waiting for the woman's recovery before he makes any move.

BLACK PUG JOHNSON HURT IN AUTO SMASH

With Gay Party Champion Was Racing on Crown Point Course.

Crown Point, Ind., July 16.—Champion Jack Johnson, heavy-weight pugilist of the world, who is training at Cedar Lake, near Crown Point, was in an automobile wreck late last night and today there seemed to be considerable mystery attached to the smashup.

It is reported, but not confirmed, however, that one Chicago girl was probably fatally injured, that the fighter himself was covered with blood after the collision and that other girls in a big touring car were also seriously injured.

The wreck occurred on the east leg of the Cobe race course, just below the grandstand in the "Dip of Death" ravine. It is said that Johnson was racing his 40-horse power car against a machine owned by E. Moriarity, which, it is reported, carried several Chicago girls who are staying at Cedar Lake. Johnson's car led the pace near the grandstand with Moriarity close behind. The pugilist stopped suddenly and the other car smashed into Johnson's machine, making a wreck of both.

A wrecking crew from Baker's garage was sent to the scene early today and the wrecked machines were dragged into town, but Johnson and Moriarity and the girls had disappeared in the darkness. It is thought they hurried to the pugilist's quarters at Cedar Lake.

A farmer along the route reported that Johnson was bleeding and several others had scratches and bruises.

Actress Reported Fatally Hurt.

It is reported here that an actress named Lorraine Woods, who has been a member of a company at present playing at one of the Chicago theaters, was perhaps fatally injured in an automobile wreck on the east leg of the Cobe race course late last night and that she was hurried back to Chicago in another motor car. Some farmers that saw the accident and went to the assistance of the persons in the car said there were six in the party and that the car belonged to a Chicago man named Beck. No one besides the woman was hurt. Her head and the upper part of her body were fearfully mangled, it is said. The car was going at great speed and ran into a ditch. There is nothing in the information available tending to connect this accident with the one to Jack Johnson's car.

COLORED MAN INJURED.

Laborer Sustains Painful Fall at New Shoaff Building.

A colored man named Pinckney, employed as a laborer on the new Shoaff building, was painfully hurt by a fall from the fifth floor of the building shortly before 6 o'clock last evening.

The man was unconscious when picked up, but it is not believed his injuries are dangerous. He was removed in the Barnett ambulance to his home on Grand street.

ANARCHISTS SENT INTO EXILE.

Stockholm, July 16.—The eight anarchists who were arrested recently in Stockholmn on the charge of having conspired to assassinate the emperor of Russia, were today sent into exile.

THE WEATHER.

Chicago, July 16.—Indiana, Illinois and Lower Michigan—Fair tonight and Saturday, not much change in temperature.

Ohio—Fair tonight and Saturday.

SHAH OF PERSIA A JOBLESS RULER

Taking Refuge in Russian Legation is Practical Abdication.

PLAN PROVISIONAL GOVERNMENT NOW

Son of Ex-Ruler Likely to be Chosen to Reign Under Regent.

Teheran, July 16.—The fact that the shah of Persia this morning took refuge in the Russian legation here is accepted as tantamount to his abdication of the throne and arrangements already are on foot to organize a provisional government and administer the affairs of the empire pending the appointment of a regent. It is probable that the successful revolutionaries will choose Mohammed Ali, the ex-ruler's son, to rule the state. Mohammed Ali is a minor and will be under a regent. It is possible that the uncle of the dethroned shah Zill-es-Sultan, who is at present in Europe will be given this post.

REVIVE THE PONY EXPRESS.

Riders Leave San Antonio With Invitations for Taft and Diaz.

San Antonio, Texas, July 16.—Dressed as old time cow punchers, two special messengers will leave San Antonio August 1 on horse back, one riding toward Mexico City and the other toward Washington, D. C., to present special invitations to President Taft and President Diaz, of Mexico, to meet in this city in October, during President Taft's southern tour. They will represent the pony express of pioneer days and will carry sealed documents of invitation from the mayor, commercial organizations and probably the governor. Traveling by easy stages, the trip to Washington will take sixty days. About half that time will be required to reach Mexico City.

NEW CLEW TO LEON LING.

New York, July 16.—Upon receipt of a telegraphic advice from the police of Shipman, Ill., where a Chinaman answering the description of Leon Ling, wanted for the murder of Elsie Sigel, is under arrest, Inspector McCafferty today dispatched a detective to the west to ascertain if the Mongolian is the much sought after Leon.

BURNED TO DEATH IN STABLE.

South Bend, Ind., July 16.—Anson Klinghammer is believed to have been burned to death in a fire which destroyed the stable of Thomas Bless, at Mishawaka this morning. Four horses died in the fire.

TRIBESMEN READY TO ATTACK.

Kabyles in Large Force Prepare to Storm Melilla.

Madrid, July 16.—Reports received here from Melilla this morning say that the Kabyle tribesmen, 1,500 strong, are preparing to attack the Spanish positions and that great excitement prevails.

The Spanish troops that have been sent ashore there for the protection of Spanish interests were today reviewed by General Marinia, the governor of Melilla. Outposts have been placed around the city, and two batteries have taken up a position near the locality where the Kabyle tribesmen are encamped. The gunboat Almirante Loba is cruising along the coast.

CURTISS MAKES FINE FLIGHT.

Soars Half an Hour in Aeroplane Over Long Island.

New York, July 16.—Glenn H. Curtiss, the aeronaut made a flight of 31 minutes duration in his aeroplane at Hempstead Plains, Long Island today, without mishap. He said he could have remained in the air an indenite period. His flight is believed to be the longest ever made in a heavier-than-air machine in this country except by the Wright Brothers.

THREE HUNDRED KILLED BY QUAKE

Earth Shocks in Greece do Vast Damage and Take Many Lives.

MEAGER DETAILS OF THE DISASTER

Several Villages Reported to Have Been Practically Destroyed.

London, July 16.—Special dispatches received here from Athens say that 300 persons were killed or injured by the earthquake that occurred yesterday in the province of Elis in southern Greece. The damage to property also was very great. The water in the rivers and brooks has turned a reddish color.

SOME DETAILS OF DAMAGE.

Athens, July 16.—The earthquake demolished 400 homes in the village of Havari, in Elis province. Thirty persons lost their lives at this point and a number were injured. Neighboring villages suffered greatly from the material point of view. All the houses of Amalaiva were rendered uninhabitable. The shocks were felt at Patras, Prygos, Lalamas and Tripoli, but outside of Havari only a few deaths or injuries have been reported. A volcanic upheaval is said to have occurred at the village of Ponhioti.

QUAKE FELT IN PORTUGAL.

Lisbon, July 16.—A severe earthshock was experienced last night at Benevente, a sea port, twenty-seven miles northeast of Lisbon. The population was thrown into a panic, but the damage was slight.

MUST HURRY NOW TO GET ENTRY IN RUNNING

Tomorrow Last Day for City Candidates to File Declaration.

If there are further aspirants for any of the city offices to be filled at the November election, they would do well to hurry. Tomorrow is the last day in which declarations of candidacy can be filed with the city clerk and under the law those who fail to get within the time limit will be barred from consideration of voters at the primary to be held Friday of next week.

There are now announced candidates for all the offices to be filled, the last having been that of Gustave A. Schwegman, who yesterday indicated his desire for the republican nomination for city clerk. All the places in the city council have also attracted candidates, both democratic and republican, though in one or two instances there is little competition. On the democratic side, of course, the candidates are most numerous from mayoralty downward, but the republicans, also, have succeeded in getting out candidates in all the wards.

* * *

Easily the most strenuous going of the campaign is that of the democratic mayoralty aspirants—Messrs. Melching, Scherer, McCulloch and Schmidt—who ar eengaged in a stirring contest for the favor of democratic voters at the primary. But while the campaign is vigorous in the extreme, it is practically devoid of bitterness. The four candidates are simply going under full steam, each for himself, and each professes confidence of winning. There are those who believe they are able to pick the successful man, but just as many others who just as confidently make a different selection, and conservative politicians are declaring that nobody is in position to say he has the nomination "cinched."

* * *

The question of party platforms is beginning to engage the attention of the political leaders, following the announcement that the democratic declaration of principles will be adopted at a meeting of the central committee and candidates next Monday evening. It is predicted that the democratic document will be square-toed and unequivocal in its declaration on the issues involved in the municipal contest, and it is expected that advanced ground will be taken. In the republican camp no action looking toward a platform has yet been taken, but many of the party leaders are urging that it be done. Others favor ignoring the matter of a platform entirely.

* * *

Democratic mayoralty candidates are continuing their noon and evening meetings with much vigor. Mr. McCulloch held two meetings in the Ninth ward and at noon today he spoke at the Pennsylvania shops, while Mr. Schmidt talked to the workmen at the organ factory. Mr. Melching and Mr. Scherer are neither of them overlooking this method of campaigning and Mr. Melching is planning a systematic visitation of the industrial establishments.

VAST TELEPHONE MERGER PLANNED

Consolidating All the Bell Companies With Capital of a Billion.

FORESHADOWED BY LATE ABSORPTION

Gigantic Merger in a Fair Way for Immediate Completion.

New York, July 16.—The merging of all the Bell Telephone companies into a gigantic corporation representing a capitalization of $970,000,000 is believed to be foreshadowed in the action taken by the American Telephone and Telegraph company in providing for the absorption of the stock of the New York and New Jersey Telephone company.

Although no official statement could be obtained today it was believed that the New York and New Jersey Telephone company would accept the offer of the American Telephone and Telegraph company to exchange its stocks share for share.

Approved by Directors.

The plan has the approval by the directors of the New York company.

The New York and New Jersey Telephone company is generally regarded as one of the subordinate companies of the American Telephone and Telegraph company, although the latter owns but a small part of the New York company's capital stock. Another subsidiary of the American Telephone and Telegraph company, the New York Telephone company, is, however, a large holder of New York and New Jersey Telephone stock.

Date Fixed for Transfer.

Under the terms of the American Telephone and Telegraph company's offer the New York and New Jersey company's stock, which pays 7 per cent. dividend, must be transferred by August 31. The authorized stock issue of the New York and New Jersey company is $50,000,000, with a funded debt of $1,190,000.

THREE ARE RESCUED FROM DEATH IN THE SURF

Nephew of Julius Nathan Imperiled by Yacht Wreck at Atlantic City.

Atlantic City, N. J., July 16.—In an hour's battle with the big breakers sweeping across the outer shoal mouth inlet yesterday morning Fred Nathan, treasurer of the Broad Street theater of Philadelphia, a nephew of Samuel Nixon, the theatrical magnate, and Fred Robb, assistant treasurer of the Chestnut Street theater, and Jacob Driscom, a pilot, were saved from death by plucky volunteer life savers after Nathan's yacht, Yvonne, had crashed aground on the bar and capsized.

The bravery of Robb, who held Nathan to the wreck until the life savers reached them, prevented the owner of the yacht from being washed overboard and drowned after he had been knocked unconscious by the breakers which swept over him.

All three of the men were exhausted and Nathan was believed to be dead when taken into the lifeboat, but he is recovering and is believed now to be out of danger.

Thousands of spectators, including the Nixons and Mrs. Ella Nathan, mother of the yachtsman, saw the accident and the thrilling rescue. Women and men who packed the boardwalk screamed in terror as the big waves blotted out the stranded craft and the men clinging to its sides, while women aboard the big inlet yachts, which were unable to reach the wrecked craft over the treacherous bar, fainted at what they believed to be an impending tragedy.

Young Mr. Nathan is a son of the late Charles Nathan, who formerly lived in Fort Wayne, and a nephew of Julius Nathan, of this city. His mother was a Miss Nirdlinger, also of this city, prior to her marriage, and a sister of Samuel Nixon, the famous theatrical magnate, who left Fort Wayne and became a conspicuous figure in American theatrical affairs.

WOODMEN AT DECATUR.

Log Rolling Association Holds Annual Gathering There.

A canvass of the field indicates that there will be upwards of 200 Fort Wayne Woodmen at the annual meeting of the Northeastern Indiana Log Rolling association at Decatur tomorrow. Arrangements are being made for special cars on the interurban, which will leave this city at 10 o'clock in the morning and returning leave Decatur about 10:30 o'clock in the evening. There are Woodmen's lodges at Huntington, Bluffton, Auburn, Huntertown, New Haven and other towns in this part of the state and it is said each will send delegations to the log rolling. The exercises commence in the morning and continue, with intermissions for dinner and supper, until late at night. A part of the program will be the exemplification of the degrees to a class of upwards of forty by a team composed of Fort Wayne Woodmen, with Harry Kline as captain

STRIKE SITUATION GROWS IN GRAVITY

[Continued From Page One.]

stockade and then the foreigners opened fire upon the police inside. Suddenly the big gate swung back and twenty-five troopers, firing their carbines in the air, rode into the assembled multitude at full speed. For a while the air was filled with the screams and curses of the strikers and their sympathizers while the crack of the guns spread terror. The mob was driven a half mile from the plant and probably thirty persons were injured, some of them seriously.

Strikers Getting Drunk.

It was learned today that fifty kegs of beer and a large quantity of whisky was brought into the mill settlement during the night by the strikers. Toward noon it was noticeable that many of the strikers were getting intoxicated and squads of constabulary began a thorough search of the district in an effort to locate the liquor and beer.

A monster mass meeting, attended by over ten thousand strikers and sympathizers was held in the morning on the historic Indian mound at McKees Rocks.

The authorities maintained a strict surveillance over the meeting for the purpose of preventing the deliverance of addresses that might further excite the strikers.

Another strike occurred early today at the Standard Steel Car plant at Lyndora, near here. Of the 3,000 employes, 250 quit work. It was said the rest would also go out. The men ask for higher wages.

Fearing trouble, such as is being experienced at the Pressed Steel Car company's plant at McKees Rocks, the saloons of Lyndora were immediately closed.

FIVE HUNDRED QUIT WORK.

Wheeling, W. Va., July 16.—At 12 o'clock last night the scale of the tin plate workers employed by the American sheet and tin plate company expired and five hundred men employed at the local plant of the company quit work. The men are not members of the Amalgamated association, whose men struck work the first of July. The tin plate workers struck because of an "open shop" order of the company.

SHOPS ARE CLOSED DOWN.

East Liverpool, Ohio, July 16.—Employes of the tin department quit work at midnight. The company has not attempted to fill the places of the strikers and will do nothing before next week. Supt. Evans will not stop operations in other departments of the mill.

POLITICAL ANNOUNCEMENTS.

COUNCILMAN.

Charles Brasch announces himself as a candidate for councilman from the Tenth ward on the democratic ticket. Mr. Brasch conducts a meat market on Gay street and is known to almost every man, woman and child in his ward. He has been a resident of the Tenth ward for ten years and owns considerable real estate, being one of the heaviest taxpayers of his ward. Mr. Brasch solicits the support of the democrats at the coming primary.

PRISONER SAYS THE OFFICER DRANK ALL DAY

Court Believes Story and Lets Negro Go—City Court Cases.

When Daniel Moss, colored was called in the city court this morning he insisted that he was not guilty of vagrancy and was a little at a loss to understand why he had been arrested by a man he had been drinking with all day and who was under the influence of liquor when he made the arrest.

The officer gave the name of Charles A. Seymour and is a merchant policeman and he testified that he knew nothing about the fellow he had arrested except that "things had been missed" at Curry's negro saloon on Lafayette street, and he thought Moss might have taken them.

Moss testified that he got in by freight from Chicago tired and hungry and got a job in a nickel theater. He met Seymour in Currys saloon and Seymour offered to buy the negro a beer to dance for him. Moss said he didn't mind dancing but he would take the money and buy something to eat. The two drank together a long time in the course of which Seymour went to sleep, then he called the wagon and sent Moss in. The prisoner made such a good case that the judge continued his hearing indefinitely and let it go at that.

The Other Cases.

Joseph Smith got ugly when the officers went after him last night in a doorway where he was sleeping off a drunk and this morning he drew $5 and costs.

Fred Lamont got mixed in his bearing and had most everybody around Berry and Barr streets awake this morning while he was piking around among the houses. He got $5 and costs.

John Clark got drunk and wanted to lick everybody around the Hotel Anthony. He got $5 also.

John McCarthy was telling how many policemen he could lick and how many judges he had talked out of fining him when Patrolman Dickson nabbed him. He got $5 and costs.

The case against Joseph Kelson was continued until Tuesday.

GLIDDENITES LEAVE LA CROSSE.

Tourists Resume Long Journey After Good Night's Rest.

La Crosse, Wis., July 16.—After a good night's rest following the trying ride of yesterday the Glidden tourists got away in good time this morning. Path-finder Lewis left at 5 o'clock and at 6:40 the car containing C. J. Glidden, father of the tour, and Chairman Hower, of the contest board, pulled out.

Beginning at 7 o'clock the cars left at one minute intervals. O account of an accident to Acme car 96, which carried the official starting time from Madison yesterday, no penalties were announced today. The car was wrecked in an effort to avoid a child which suddenly stepped out before it near Wilton, Wis., and could not reach the city until this morning, after Pathfinder Lewis had left for Minneapolis. The accident resulted without injury to either the child or occupants of the car. The first car was due at Minneapolis at 3:57 this afternoon and with fair weather and better roads it was expected that the run would be made on time. The official description of the roads showed them to be in much better condition than those encountered yesterday.

The Studebaker car in the Glidden tour, known as the military car and driven by George Smithson, arrived here this morning without its driver, Smithson, who was left under a doctor's care at Sparta. Near Wilton yesterday a prairie fire threatened a farmer's home and perilled the farmer's wife and daughter who were at home alone. The Studebaker car passing at the time stopped and its occupants went to the assistance of the farmer's family. Before the fire was extinguished, Driver Smithson was painfully, although not dangerously burned, and was unable to proceed with his car.

After a sickness of four weeks from pneumonia, I. N. Medsker is again able to be about.

BIG DAMAGE SUITS SETTLED OUT OF COURT

Zoma Savely is Paid $600 by Bonnels—News of The Courts.

Zoma Savely has dismissed the damage suits instituted by her against John and Joseph Bonnell, whom she accused of having caused her to be taken from the home of the former at Arcola several weeks ago and placed in the ward for insane at the county jail. She recovered $600 for the damage that she had sustained.

Miss Savely had lived as housekeeper for John Bonnell, at Arcola, and not long ago she was taken in custody by a deputy sheriff and placed in the hospital ward on the charge that she was demented. Next day she was released and the suits followed. She was never declared of unsound mind and the proceedings against her were dropped and she accompanied her father to her home at Warsaw.

Wife Charges Desertion.

Anna Bosharafa has entered suit in the superior court against Abraham Bosharafa charging that he deserted her two years ago and has made no reasonable provision for her support since. They were married in 1904 and lived together two years. W. C. Ryan is her attorney.

Tried to Poison Her.

In her divorce complaint against Arthur Heinlein, Myrtle Heinlein alleges that he made two attempts to poison her and nearly succeeded at one time. She also says she is afraid of him and secured a restraining order to prevent him from molesting her. She says he has an ungovernable temper and that while he is enraged he curses and abuses her and their two children shamefully and has beaten and abused all until they fear he will kill them.

Another charge is that he has picked up his children bodily and thrown them twenty feet against the walls of the house, bruising and injuring them severely. They were married April 8, 1897. Henry and Guy Colerick filed the suit.

To Be Tried on Merits.

Both Judge Hench and City Attorney Guy Colerick pleaded in the superior court today that they were too busy to try the Nelson Craig milk case, which involves an injunction to prevent the revocation of a milk dealer's license, but both announced that on July 31 they will be in position to hold a hearing to decide the case on its merits and settle the question of the mayor's right to revoke licenses.

Application Held Up.

The application of Glenn Miller for admission to the bar of Allen county was held up today until he can show that he is a resident of Allen county. He recently graduated from the Chicago law school.

FUNERAL NOTICES.

Schlaudroff.—Funeral services of Philip Schlaudroff will be held Saturday afternoon at 1 o'clock from the residence of the parents, Mr. and Mrs. Louis B. Schlaudroff, and at 2 o'clock from Grace Lutheran church. The young man, who met his death by drowning at Kendallville, is survived by the parents and by three brothers and three sisters—Louis, Charles, Henry, Miss Sophia, Miss Anna and Miss Lizzie Schlaudroff.

Hamm.—Funeral services of Andrew Hamm, sr., will be held Saturday afternoon at 2:30 o'clock from the residence, 1020 Lafayette street, with interment at Lindenwood. W. R. C. flag services over the remains at 2 o'clock.

Somers—Funeral services for Joseph Somers will be held Saturday afternoon at 2:30 o'clock from the residence, 1037 Edgewater avenue; interment at Lindenwood.

BOARD WILL INVITE THE COMPANIES TO BID

Preliminary Steps Taken for Big Letting on Paving.

In order to invite the paving companies to bid on the street paving to be let here this season the board of public works this afternoon rejected the bids submitted on Columbia street from Harrison to Calhoun and on Berry from Clinton to Barr and confirmed the resolution for paving Runnion avenue from Main to High, Heustis avenue from Broadway to Miner, Miner from DeWald to Creighton avenue and Wildwood avenue from Fairfield avenue to South Wayne avenue and later on there will be a big letting of all of these streets along with Calhoun street, which was rejected a week ago.

Specifications Modified.

The specifications have been modified so that guarantees of only five years will be required on streets with brick and creosote block and for ten years upon asphalt paving. This is done from the fact that it is believed by careful inspection brick can be put down that will hardly need a guarantee if care is used in the laying of the foundation and the selection of the brick. Under these conditions the bonding companies will sign the bonds. Asphalt is apt to be less durable and for that reason the ten-year guarantee will be asked upon it.

These matters were taken under advisement at the meeting last night as there was some question about Heustis avenue on account of a remonstrance but two names were withdrawn this morning which insures that the thoroughfare will be paved. There were a number of kickers at the meeting last night but all difficulties were settled. The action of the board indicates that the property owners want brick or creosote block and are not partial to asphalt.

Petitions for Sidewalks.

A petition asking for cement sidewalks on both sides of Runnion avenuew was presented last night and the civil engineer was instructed to prepare plans. The resolution for sidewalks on the south side of Creighton avenue from Broadway to Calhoun street was confirmed after the notification that the city council had declared the improvement necessary. A number of these walks will be built under private contract.

Plans were ordered for cement walks on Illinois street from Greenwood avenue to Perry street and on Wells street from Superior street to Huffman street.

The board had not decided about the printing of the annual report upon which bids were received last night. Gart Shober's bid of 8 cents a page was lowest but a protest was entered on the ground that he had not filed an affidavit showing there had been no collusion.

Assessment rolls for sidewalks on Third street and on Jefferson street from Harmer to Division were confirmed. Action on the Taylor and Brackenridge street pavements was deferred until August 12.

CRANE FOR CHINESE MISSION.

Chicago Manufacturer Chosen by Taft for Minister to Pekin.

Washington, D. C., July 16.—President Taft has decided to appoint Charles R. Crane, of the manufacturing firm of Crane & Co., Chicago, as minister to China.

Mr. Crane was the organizer of the firm of which he is the head and which is one of the largest in Chicago. President Taft regards him as one of the ablest business men in the country and declared that he was delighted to be able to secure such a man for the Chinese mission, which he regards as one of the most important in the diplomatic service. Mr. Crane has had large experience in foreign affairs, has been seventonn times to Russia and speaks the Russian language. His uncle, Professor Williams, was professor of Chinese at Yale. Mr. Crane today notified the president that he would accept.

MINE DRIVERS STRIKE.

Terre Haute, Ind., July 16.—Sixteen drivers struck at the Consolidated mine near Sullivan, this morning, when the mine boss discharged Adam Ringo for alleged cruelty to a mule. By their action the mine was tied up and the fifty miners employed forced to quit work.

John Lotz, of the auditing department of the Fort Wayne Electric works, will leave Saturday evening for New York city, Washington and other eastern cities, where he will spend his annual vacation.

George Koons, of 1629 West Washington street, is spending a short vacation with friends in Indianapolis.

The Claypool band has admitted four young ladies as members.

Decatur has been having a gasolene famine that stranded all the autos in town.

Oliver Ormsby, a well known Wells county citizen, died Wednesday evening from paralysis.

Shipshewana folk are entertaining a car load of Chicago children on a fresh air outing for ten days.

John H. Shively, a prominent Wabash county man, is dead at Seattle, Wash., from heart disease. He had lived for many years at North Manchester.

Steuben county had a cyclone and electrical storm Thursday morning that did considerable damage in some portions of the county. The summer cottage of Senator T. S. Wickwire, at Crooked lake, was wrecked, and the roof and contents of the upper floor were dumped into the lake by the high wind.

Daisy Buckner, 17, residing near Liberty Center, Wells county, made an attempt to commit suicide Wednesday night by shooting herself in the forehead. The girl, however, held the weapon at such an angle that the bullet did not penetrate the skull, but glanced off, doing nothing more than to stun her and she will recover.

Fred Baumwunt and Miss Clara Herbst, both of Wanatah, were united in marriage at that place Wednesday evening by Rev. John Bollens, of Wanatah. There is something of a romance connected with the case, for the marriage arrangements were hastened at the request of the bride's father, Christian Herbst, who is seriously ill. The ceremony was performed at the bedside of her father.

The Toll Clearing company has been incorporated to establish and operate toll telephone lines; capital, $10,000; directors, W. J. Uhl, Logansport; Theodore Thorward, South Bend; John W. Coffey, Indianapolis; Charles S. Norton, Indianapolis; J. A. Browne, Winchester; Samuel Tomlinson, Plymouth; George W. Beers, Fort Wayne; James S. Bralley, jr., Toledo, Ohio; Washington W. A final quietus has been placed on the case of Dr. Charles L. Landfair, of Bluffton, by the state board of medical examination and registration. Dr. Landfair, a few years ago, was convicted in a court of criminal practice and was sent to the state's prison, where he served a term. After his release on parole he applied to the board to have his physician's license renewed, the board having revoked his license when he went to prison. Thursday Dr. Landfair appeared before the board with his attorney, W. H. Eichorn, of Bluffton, and his case was heard. The board decided against him and refused to renew the license.

Ed Shannon, of Elkhart, who six years ago escaped from jail at Goshen, while under sentence to go to Jeffersonville reformatory for larceny, and who later was arrested in Milwaukee for assaulting a Chicago policeman and sentenced to Joliet prison, was released Wednesday from that institution. Officers from Elkhart county were on hand and immediately took Shannon into custody. He will be taken to Jeffersonville to serve his sentence.

Through eating bad frankfurters for supper, Fred Mann and two children and their guests, the Misses Frances and Violet Close, at Goshen, were so badly poisoned that for a time they were dangerously ill.

The report of Expert Accountant Higgs, after an examination of the books of Kosciusko county at Warsaw, discloses the sum of $1,756.19 which is apparently due the county from various officers, and $284.33 apparently due the officers from the county, and Mr. Higgs says he has failed to find evidence of indication of dishonesty, the discrepancies being due to different construction of the law regarding fees. He reports $226.66 due from O. P. Smith, sheriff; $493.78 due from W. A. Mable, sheriff; $11.90 due from Edward Haas, sheriff; $450.50 due from M. A. Wilcox, auditor; $13.75 due from John C. Babcock, recorder, and $3.75 from John Pinkerton, recorder. Due officers from county: John C. Beagle, $78; G. W. Irvine, $177; John Pinkerton, $17.33; Edward Haas, $12.

EX-GOVERNOR'S NIECE TO WED.

Engagement of Two Instructors at State University Announced.

Anderson, Ind., July 16.—Announcement was made last evening of the engagement of Miss Marian Durbin, only daughter of Mr. and Mrs. D. H. Durbin, and a niece of ex-Governor W. T. Durbin, to Max Ellis, of Bloomington, who is an instructor in zoology at the State university. The date of the wedding has not been set, but it will be sometime in the coming winter. Miss Durbin graduated at Indiana university last June, after having done special work in science, where she gained recognition as an advanced student. She will be a teaching fellow at the university this coming school year. She attended Earlham college two years. She is a graduate of the local high school.

LOST; LATEST BRYAN LETTER.

Missive of Advice to Taft Hasn't Reached White House.

Washington, July 16.—If William J. Bryan mailed a letter to President Taft urging him to bring to congress the matter of direct election of United States senators the postoffice department has been derelict in its duty, for no such missive has reached the white house.

Ever since the Bryan letter appeared in the newspapers Secretary Carpenter has been looking for it to turn up in the president's mail, but thus far it has not put in an appearance.

Since ample time has elapsed for the letter to have reached Washington, the inference gathered by the white house employes is that after giving out his letter to the president Mr. Bryan forgot to mail it.

TRAPPING BLIND TIGERS.

No phase of illegal liquor-selling is less difficult to detect and prosecute than that variety of it that comes within the blind tiger act. Blind tiger keepers of the sort engaged in illicit traffic in Fort Wayne are practically defenseless. To break up this nefarious business will involve no great or prolonged effort. It can be done in a week. Why, then, is it not done?

One of our contemporaries hints at graft. Another contemporary assumes that the hint fastens itself on the police and calls on Mayor Hosey to cleanse his police force of suspicion, his administration of putative dishonor and the city of the infesting blind tiger dens by a prompt and effective raid. A few raids and the blind tiger business will subside. The places where liquor is sold in defiance of the blind tiger law are mainly disorderly houses with female inmates. Their mistresses will not court more than one term in jail. Nor will it be necessary to send all of them to the bastile. Those who escape the first roundup will take counsel from the fate of those who do not escape.

The number of these bawdy house beer joints has vastly increased during the past year or two. They thrive not on the immoral commerce of their women, but on the enormous quantities of beer dispensed. Since the enforcement of the law against saloons began some four months ago these resorts have done a boom trade and have reaped immense profits. This not only greatly lowers the moral tone of the city, but it puts the saloonkeepers under burden of great injustice.

To charge graft is a serious matter. But the query is persistent in many minds—why do the blind tigers go on unmolested and unafraid? We quite agree with the Journal-Gazette that while Mayor Hosey himself is far above suspicion, suspicion does attach itself to his administration, and that the one way to cleanse his administration of suspicion is to pounce on these pestilent sinks that are violating the blind tiger law and wipe them one and all out of existence.

An anomalous situation has developed in those parts of three states which comprise what may be generally defined as the Pittsburg industrial region. Some thirty thousand men are on strike and the number bids fair to be greatly increased. Violence has developed and in the case of one immense industrial concern the state constabulary has been mobilized at its plant and bloody collisions have ensued. Within the past two or three weeks the telegraphic news has carried frequent word that this, that or the other big concern in Pittsburg or the Pittsburg region had resumed work or was about to do so, or had enlarged its forces or put its forces on full time. Thousands have been idle or partially idle for more than a year and a half. They need work and their work is needed. The charge is made that the employers have taken advantage of the great stress of thousands of long unemployed men to resume work at starvation wages, and that the men are not going to go back to the mills at a wage level so low it will take years to force it back where it was before the industrial depression began. Doubtless there is a middle ground where the employers and employes can get together, each mindful of the stress the other has endured for now almost two years.

Mr. Yim Yay Hill may be a prophet, but he's no Jeremiah. Yim he ban down to New York to say that prosperity is coming and sh-h-h-h! Don't make a noise. Just let 'er come. And Yim he ban down to Washington to speak to Mister Taft and eat a friendly bite with him. Down there Yim Hill declared that the kind of prosperity that was charging head-on into this country would be equal to anything ever known and might surpass the palmiest days of the past decade. And there was no keep quiet and be careful. Clear the tariff out of the way and just about the last vestige of an obstruction would be removed from the pathway of an advancing prosperity that will bust the granaries and overfeed the banks. Yim he seldom converses through his chimney pot and so we take this from him without salt.

Pacific fleet is going to the Philippines and do a little informal cruising in the far side of the Pacific. This is another sign of benevolent assimilation. Also a guarantee of the peace of the world. Likewise a warning to Japan. And eke a fresh bid for the impartial privileges of an open door in China, where there have recently been signs that France and Great Britain were trying to hog the favor of making a Chinese loan. All in all, the Pacific fleet appears to have a very pleasant and various errand ahead.

The candidate for mayor who does not put himself by his own distinct and unequivocal personal word on record as in favor of honest law enforcement will wholly misunderstand the sentiment that is uppermost in this city. The old days are gone days, and Fort Wayne is to be a community governed not by executive "policy," but by law.

Little Evelyn having got even with her husband's folks by putting a crimp in her husband's chances for liberty, is probably feeling much poorer in purse, but a deal better in the seat of her feelings. The pretty child shows very precociously that she knows when she isn't well used.

Tearfully the angel child fessed to it that her own beloved and unmatched Harry did so far forget what was due a perfect lady and threaten to kill her. Nevertheless, she will never desert "Micawber"—at any rate not so long as Micawber doles out the meal ticket one measly little hole at a time.

When a multi-millioned magnate hands a few times ten hundred thousand dollars to the cause of public education or some other cause, there are a rather surprising number of people who look upon it as just giving something back.

No big stick there, but a big fist and a heavy voice seem thumping and sounding the mandate that there has got to be in that tariff bill some revision for the people.

ELKS WINDING UP CONVENTION.

Great Fraternal and Industrial Parade the Day's Feature.

Los Angeles, Cal., July 16.—The greater part of the work of the grand lodge of Elks, now holding its annual reunion in this city, will be completed with the sessions held today and tonight. Today the great fraternal and industrial parade, by far the most pretentious one of the session, and the most imposing, was held. As on yesterday, an immense throng gathered early in the day and the long line passed through streets packed to their capacity with enthusiastic humanity.

THREE MEN KILLED IN A HEAD-ON COLLISION

Chicago and Eastern Indiana Trains Crash on Open Switch.

Danville, Ill., July 16.—Three men were instantly killed and two injured in a head end collision between southbound passenger train No. 23 and northbound train No. 26, at Royal, a way station between Woodland and Villa Grove, in Champaign county, at 3:05 this morning. The dead:

W. F. BAKER, engineer, Chicago.
NELSON PULSON, fireman, Villa Grove.
F. H. HOLLENBECK, express messenger, Chicago.

The injured:

R. Berger, engineer, Villa Grove.
Oscar Thomas, express messenger, Chicago.

Open Switch Did It.

An open switch was responsible for the wreck. Passenger train 26 was on the siding to permit No. 23 to pass. The latter took the switch, traveling at the rate of fifty miles an hour. The impact was terrific. Engine No. 23 was badly smashed and the front end of the express car was crushed like an egg shell.

Moraculously the damage done to the engine pulling No. 26 was small, and the express car on the southbound train was the only one to leave the track. Aside from a severe shaking up the passengers on both trains escaped without injury.

It took only a few minutes for the crew, aided by passengers, to remove the dead and injured from the wreckage. The injured were removed to Villa Grove and the dead were taken into the little station at Royal to await the coroner's inquest.

NIGHT DUTIES UNPROFITABLE.

New Regulations for Public Servants in Distilleries.

Washington, July 16.—Night duty at distilleries is an unprofitable "trick" for public servants, according to a decision promulgated today by the secretary of the treasury. The decision has been forwarded broadcast to collectors of internal revenue and "others concerned." In a mill and tower in the revenue district of Illinois Storekeepers W. D. Schlatter and R. F. Seed were assigned to duty for Saturday and Sunday nights last month. Now the government holds that as distillers cannot operate between 11 p. m. Saturday and 1 a. m. Monday the advance of but one day's pay for broken service rendered on Saturday night and Sunday morning must be declared, for the first time, a regulation.

A Warning, Not An Example.

Our Municipal Waterworks, then, as we have seen, are NOT AN ARGUMENT FOR MUNICIPAL OWNERSHIP OF ANYTHING.

For the water is lacking in QUALITY, QUANTITY AND PRESSURE.
It is not only lacking now, but must STAY SO.
It is pumped from wells INCAPABLE of a right product.
It will continue to be on account of limited city funds.
There are sources o fright water supply within forty miles.
But to bring this to Fort Wayne requires large investment
That investment would require a million dollars or more.
That expenditure is beyond our bond debt limits.
In other words, the State forbids our borrowing it.
It is beyond—far beyond—our tax-levy possibilities.
Fort Wayne's hands are tied. It cannot reach the pure water.

So long as we insist on Municipal Ownership, an ample supply of pure, soft water under pressure is not for Fort Wayne.

Municipal Ownership of Water in Fort Wayne is A WARNING, NOT AN EXAMPLE.

The article we get is certainly as cheap in rate as in quality.

The rate of our inferior water is the boast of whom?

Not of those who have enjoyed the pure, white, inviting water supply by other cities.

Not of our younger generation who have wandered far from their native soil and the water that contains it.

Not of visitors whose good opinions we value.

Not of the humble citizen who is obliged to use it.

The rate is intended to appeal to two classes of taxpayers:

1. Those who mistakenly hold that economy is not in right spending, but in tight holding of money. And
2. Those who have already spent hundreds of dollars in cisterns or wells, tanks, softeners, purifiers and force-pumps, for private water supply, and for whom City water is therefore no great convenience, and water rates represent a certain waste of money.

These two classes of taxpayers, familiarly known as the TIGHT-WADS and the WELL-TO-DOS, no doubt afford encouragement politically to these aspirants for official power who are

Forever harping on THE LOW RATES FOR OUR INFERIORITY in water supply; and

Forever using the municipal waterworks as a stalking-horse in trying to capture other game THAT WILL YIELD PICKINGS for those who are in search of them.

At one time in my experience as a Councilman the Gas Company became dictatorial and excessive in prices. We lit the City with kerosene lamps for a few month and broke the back of the Gas Company. The management of the Gas Company was changed and cheaper rates and fair service were obtained. Since that time the City has not had much trouble with the Gas Company. Fair men on both sides can settle all difficulties.

IN THE CITY'S CHURCHES

REV. DANNECKER WILL ATTEND BOARD MEETING

President of Society That Provides for Students for Ministry.

Rev. H. P. Dannecker, pastor of St. John's Evangelical Lutheran church, will go to Toledo August 2 to attend the semi-annual meeting of the beneficiary board of the northern district of the Evangelical Lutheran joint synod of Ohio and other states. He is president of this board, which provides for the support of students for the ministry or for work in the parochial schools. Meetings are held in August and October, the former being the most important. Applications of students are received and passed upon and plans made to provide for their necessities. There are twenty-four beneficiaries and a considerable amount is spent annually for first year students.

The meeting will be held at an Evangelical Lutheran church in Toledo and Rev. Dannecker, during his visit, will be the guest of Rev. W. E. Schuette.

A HAY MAKING PARTY.

Members of West Creighton Avenue Church Enjoy Outing.

One of the most enjoyable social events in church circles this season, took place Thursday at the home of Mr. and Mrs. G. M. Trick, south of the city. Section five of the Ladies' Aid society of the West Creighton Avenue Church of Christ assisted the hostess in perparing a delightful luncheon for the many members of the local congregation attending. The program of enjoyment began when the happy party of church workers arrived at the farm in the morning and continued until their departure in the evening.

Luncheon was served at noon, but the real event of the day took place when the party learned that the hay was ready for the mow and that help was needed in the fields. Immediately Rev. Henry W. Schwan, the pastor of the local church, and the party of men present started with Mr. Trick for the hay field. The ladies not to be outdone started also. A jolly hay-making scene was the result, where all classes of workmen were in evidence. The pastor proved himself quite an adept at the work and demonstrated that such an experience was not new to him. The hay was finally taken care of after each member had shown his prowess and then workers returned to the farm house, where a number of musical selections were given. The hay-makers numbered seventy-five and all spent a most enjoyable day.

PULPIT SUPPLY TO LEAVE.

Rev. Stauffer Closes Work Sunday at Christ's Lutheran Church.

Rev. E. E. Stauffer, of Lawrence, Kan., who has been temporarily filling the pulpit at Christ's Lutheran church will conduct his closing services there next Sunday. He will occupy the pulpit both morning and evening, and at the morning service is especially desirous of having a large attendance of the young people. His sermon on that occasion will be on "Life and Its Ideal," a topic in the development of which he has spent much time and is deserving of the attention of a large congregation.

Sunday evening, Rev. Stauffer will preach on "The Greatest Heresy." His sermons during his term as pastor pro tem have been most interesting and helpful and he has enjoyed many auditors. Regarding the appointment of a resident pastor, no selection has as yet been made, though parties regarded favorably remain to be heard from.

LUTHERAN CHURCH NEWS.

Teachers at St. John's School Attend Conference in Ohio.

Profs. Adolph Oelke, C. F. Knauer, William Wiggert and C. P. Droeger, teachers at St. John's Evangelical Lutheran school attended the general conference of Lutheran parochial school teachers of the Ohio synod, at Marysville, O., this week. Prof and Mrs. Oelke are spending their vacation with relatives at Detroit, Prof and Mrs. William Wiggert, who have been visiting in the same city, will return Sunday evening. Prof. and Mrs. Knauer are spending the summer at Sandusky and Prof. and Mrs. Droeger at East Liverpool, O.

In the absence of the organist, Prof. Wm. Wiggert, Theodore Dannecker will preside at the organ at the Sunday morning service at St. John's church.

The second quarterly meeting of the congregation will be held Sunday afternoon at 2 o'clock. Sunday evening services have been suspended during the summer.

WILL GO TO DECATUR.

Ladies' Societies of St. John's and Salem Reformed Churches.

The Ladies' society of St. John's Reformed church has accepted an invitation to Decatur next Tuesday afternoon, where its members will be entertained at a missionary meeting to be given by the Ladies' society of the Reformed church in that city. An interurban car, bearing the local party, will leave the interurban station at 1 o'clock Tuesday afternoon. All the ladies expecting to go are requested to make it known at the special meeting which will be held at St. John's church immediately after the Sunday morning service. A large attendance is expected, as the society has fully one hundred and fifty members.

At a meeting of the Ladies' society of Salem church Thursday afternoon an invitation to the meeting at Decatur was accepted and it is expected that quite a number of the members will attend. Rev. and Mrs. B. Ruf, from the local orphans' home of the Reformed church, and Rev. and Mrs. John Bosch, of St. John's Reformed church, will go to Decatur. Several months ago St. John's church entertained the society from Decatur and the forthcoming affair is given in return of the compliment.

Thursday evening, August 19, the Sunday school of St. John's Reformed church will give an ice cream social on the church lawn. Preaching services on Sunday evenings at St. John's church will be dispensed with during July and August. The morning preaching services, however, will be held as usual and in the evenings at 7 o'clock the regular meetings of the Young People's society of Christian Endeavor will be held.

How Money Is Wasted On 5-Cent Cans

When you get the right brand of Evaporated Milk, you are wasting one-third if you buy in 5-cent cans. Please read these facts and see.

Let us say at the start that every grocer has 5-cent cans of Van Camp's.

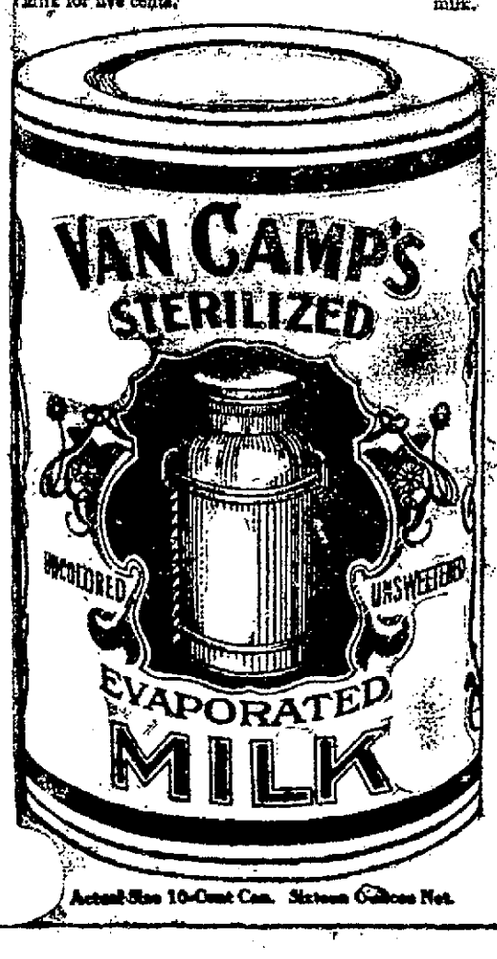
They are just as large as the 5-cent cans of vastly inferior brands.

And we sell more than of the 10-cent cans, because of mistaken ideas.

So, we don't give these facts to attack competition. They are simply to show how to get the most for your money.

Six Ounces for 5 Cents

All makers give six ounces of Evaporated Milk for five cents.



Actual Size 10-Cent Can. Sixteen Ounces Net.

It matters not how much the milk is reduced by evaporation. It may be reduced as much as Van Camp's, or only partly as much.

All charge five cents for six ounces.

So you get just as much of Van Camp's for five cents as you get of the poorest brands on the market.

But you get but six ounces of any.

Sixteen Ounces, 10 Cents

In the 10-cent can of Van Camp's—the tall size—you get sixteen ounces of evaporated milk.

That means an even pint.

It means exactly one-third more for the money than you get in the 5-cent cans.

In Van Camp's you get 8 per cent of butter fat, about 28 per cent total solids.

That is because we use rich, Holstein milk. And because we evaporate by far the larger part of the water.

If you put back the water which we take out, you get about three pints of very rich milk out of a 10-cent can.

And that rich milk will cost you, if you buy Van Camp's by the case, just about six cents per quart.

That's what you ought to pay.

But the same milk in 5-cent cans—even when bought by the case—costs you over eight cents per quart.

The Mistake Lies Here

You who buy 5-cent cans don't get the full good of Van Camp's.

You use it for coffee and cereals, perhaps. But you probably use raw milk in your cooking.

That is a great mistake.

Van Camp's is fully twice better for cooking than the average run of raw milk.

Raw milk always separates, for the butter fat rises and the solids fall. So raw milk used in cooking is rarely whole milk.

In Van Camp's you get the whole milk—all of the butter fat and all of the solids belonging to the richest milk.

If you will try Van Camp's in only one milk dish you will never use any other. Note the flavor, the richness you get from it.

Van Camp's is fine on the table, of course. But it is also fine in the kitchen. It has twice the worth of raw milk.

Another Mistake

Then some people think that evaporated milk doesn't keep when the can is opened.

It will keep if you get Van Camp's. In usual weather it keeps 24 hours and it keeps 48 hours or longer on ice.

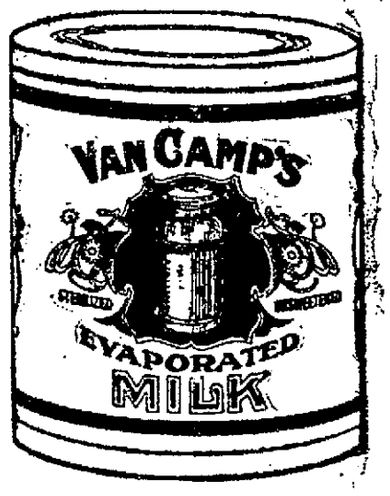
Keep it in the can until you use it up, for the can won't hurt it any.

In the long run, what is best for you is also best for us. That's why we publish these facts.

Get the most for your money.

Buy the pint cans—the 10-cent cans. Then ask your grocer to quote you his discount by the case.

You save money by buying 48 cans at a time. And you save all of the trouble buying from hand to mouth.



Actual Size 5-Cent Can. Six Ounces Net.

SOCIETY

There were two pretty but small parties today for Mrs. Edward McCalley and Miss Calhoun, who were guests respectively at the Knight and Rurode homes. At 1 o'clock Mrs. Thomas R. Cook gave a luncheon at the Golf club which was attended by Mrs. McCalley, Miss Calhoun, Mrs. Pery Olds, Mrs. Allen Hamilton, Mrs. Fred Peters, Miss Rurode, Miss Hoffman, Miss Emily Hoffman, Miss Knight. The table was decorated prettily with a variety of garden flowers.

Mrs. Clark Fairbank is entertaining her niece, Mrs. Charlotte Godown McElroy, of Indianapolis. A part of the time Mrs. McElroy is here will be spent at Rome City at the Fairbank cottage.

Mrs. Conrad Baade and daughter, Esther, have gone to Lowden, Ia., for a visit of six weeks. Mrs. August Muhler went as far as Chicago with Mrs. Baade and will visit there for a few weeks.

A number of ladies and gentlemen who are planning for a picnic this evening at Gloyd's mill are Mr. and Mrs. Herbert Lang, Mr. and Mrs. Elwin Hulse, Mr. and Mrs. Ralph Pidgeon, Mr. and Mrs. Charles Lang, Mr. and Mrs. Fred Shoaff, Mr. and Mrs. Frank Rahe, r. and Mrs. Edward Wagner and Miss Florence Foster.

Mrs. G. W. Pixley opened her home informally yesterday afternoon to ladies of Plymouth church who called to meet Mrs. J. E. Protzeller after an absence from the city of several months. Miss Louise Pixley assisted during the afternoon in serving the callers with refreshments.

Mrs. Harry Bowman, of 1511 Wall street, gave a dinner party yesterday in honor of Mrs. Ross, of Indianapolis. Other guests were Mr. and Mrs. Ferguson, Mrs. A. C. Skillman, Mrs. W. Auer, Mrs. M. Young and children, Mrs. E. Deffenbaugh, Mrs. W. Monstreffer and son, Miss Lillie Hughes, Miss Mildred Deffenbaugh, Miss Margaret Bennan and Leo Skillman and Victor Mischo.

A merry company gathered last evening to give Miss Minnie Bremer a surprise party in honor of her natal anniversary. The party was held at the home of Miss Anna Trier. A number of pretty gifts were presented Miss Bremer and a fine supper was served the guests, who were Misses Mary Bremer, Edith Gerke, Katherine Gothe, Pauline Wiese, Emma Scheiman, Amelia Trier, Sophie Brown, Minnie Rippe, Katherine Trier, Lydia Bremer and Bertha Bremer.

The Wishton Wish club girls gave a picnic at Robison park last evening in honor of Joe Luckey, who is to leave soon for Chicago to live. A number of other young men were invited and dancing was the amusement after the supper. Those who participated were Misses Mary Eckrick, Cecelia Mettler, Catherine Gunkle, Vera Nipper, Frankie Christen, Norah Klotz and Messrs. John Poiry, Belmont Beman, George Tholen, George Miller, Pete Gnau.

Miss Alberta McKeeman, of South Harrison street, entertained Wednesday evening in honor of Miss Grace Lowe, who is to leave soon for Denver, Col., to remain some time. The guests were Misses Alma Miller, Lillian Jacobs, Esther and Agnes Jensen, Alma Belkee, Bess Fish, Bess Hoffman, Frances and Ruth Severt, Eva Sult, Mrs. Amelia Lichtsinn, Mrs. Waltz, Misses Katherine Eppert, Mary Peters, Margaret Essig, Martha and Bertha Carroll. The evening was passed pleasantly by all the company.

Raney—Kimmel.

There was a pretty home wedding at the Kimmel farm west of the city on Thursday when the marriage of Miss Mary C. Kimmel and Mr. Theodore S. Raney took place at 6 o'clock in the evening in the presence of relatives and near friends. The ceremony was performed by Rev. C. C. Travis, of the Wayne Street M. E. church. After congratulations had been extended a sumptuous supper was served the company. The bridegroom is a gardener and both bride and groom have many friends in the city as well as in the country. Mr. and Mrs. Raney will live at the Raney homestead west of the city.

Moreland—Arnold.

Miss Emma Arnold, of this city, and Mr. Charles Moreland, proprietor of the Baltes hotel, were married on Wednesday at 2 o'clock in Detroit, Mich., by Rev. Dr. Young, a cousin of the bride. The bride and groom had kept their intention to wed outside of this city to themselves and with the exception of two or three very close friends and relatives the wedding came as a surprise. Mr. Moreland has been prominent in hotel circles here for a number of years and he enjoys a wide acquaintance of friends. The bride is a daughter of Mr. and Mrs. J. J. Arnold and worked for her brother, Mr. P. B. Arnold, who has a store of electrical supplies in Harrison street.

Smart Summer Waist

By Mrs. Jane Ford.

517

6 SIZES 32 TO 42 BUST

There is something fascinating about the new outing waists, especially the one pictured here. For it is so plain that a woman need not hesitate to make it, even during hot weather, for it can be cut out and finished in less than one day. The pattern for this blouse may be secured in six sizes, and will fit women whose bust measure is between thirty-two and forty-two inches.

To copy it for the average woman, three and three-quarters yards of material twenty-seven inches wide will be needed.

If the goods is thirty-six inches in width, two and three-eighths yards will be sufficient.

To make the revers waists, which are now the vogue, fabrics that have considerable body are favored, and among them are linen, crash, poplin and pique, and when silk is employed, pongee or rajah.

The advantage that white has over color should not be lost sight of, for a white waist may be worn with literally any costume, and consequently one will require a less number of frocks than when waists match in color the skirt or suit with which they are worn.

More may be said in favor of white waists, particularly if they are for summer, for if plain they can be frequently tubbed, even by an inexperienced laundress, without danger of fading, etc.

When such models are trimmed the ornamentation, in order not to mar the effect of the garment, should be of a severe type. Braid, either of the soutache or coronation variety, may be applied in a conventional design, or it may be mingled with heavily padded embroidery. The present vogue for color gives opportunity to bring about pretty effects with braid or embroidery cotton, either of which may be of a color to match the skirt or suit. Such combinations are really attractive, but complicate the process of laundering.

A remarkably pretty white linen shirt waist, made after this model, had a strip of white wash braid, machine embroidered, in blue placed around the edge of the collar, cuffs and down the top plait at the front.

Where Ladies Can Find a Rest Room

Editor Sentinel: Regarding the discussion of the necessity of a rest room for women convenient to the shopping district in Fort Wayne, I wish to say that Fort Wayne already has a rest room for women and girls at the Young Women's Christian association, 215 West Berry street.

This rest room is free to any woman or girl who wishes to avail herself of a few minutes or a few hours of rest. It is supplied with three lounges, comfortable rockers and a reading room and library. There is also a couch room, and any woman coming to Fort Wayne for a day's shopping is made welcome to the privileges of the association. If they care to do so, they can take their lunch at the association and rest as long as they wish, or they can just come for the rest.

The association has a number of friends out of the city who avail themselves of these opportunities for refreshing themselves, and thus the day's shopping is not a burden. One reason why the association is not better known is because the women of Fort Wayne are not taking hold of the work and helping it as they should. If the merchants of the city would realize that it means much to them and to their business to have an attractive rest room for the accommodation of women and girls they would lend their help and good will to the Y. W. C. A. As it is, the association is doing the best it can with the limited means at hand. And the rest room is there and all women are welcome.

The women of Fort Wayne do not need to go to Chicago to do their shopping. The merchants of Fort Wayne are just as obliging and accommodating as any Chicago house would be, and the prices are just as favorable as can be obtained there.

A Y. W. C. A. OFFICER.

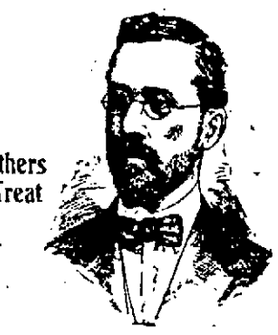
I Cure Pelvic, Nervous and Chronic Diseases



I AM MAKING GREATLY REDUCED FEES UNTIL AUG. 1.

While I have been in Fort Wayne a long time and have demonstrated in hundreds of cases that I do cure these Chronic and Deep-Seated Diseases in which the ordinary methods have failed and have hundreds of letters on file from the many grateful patients whom I have cured, I am going to make a specially reduced fee, and if your health is worth anything to you you cannot afford to miss this opportunity to obtain a cure. And, as I positively do not accept any case that I cannot cure, you either get cured or it costs you nothing. Can anything be more fair?

Rupture cured in a few treatments, without pain, without the knife and without loss of time.

Varicocele, Stricture, Piles, etc., cured without the knife and without detention from business.

Prostatic Enlargement—This results from inflammation, obstructs the flow of urine and causes many nervous complications. I reduce the enlargement and have been able to cure about 90 per cent of all cases.

Do not be deceived because one of the smaller institutions is copying my advertising. This is only done to confuse you. While they may steal my advertising, they are not capable of copying my methods.

BIG AUTOMOBILE IS DAMAGED $700 BY FLAMES

W. M. Griffin's Touring Car Catches Fire—Occupants Uninjured.

The big red Pope-Toledo touring car belonging to William M. Griffin, caught fire from the gasoline in something of a mysterious way as it was speeding along northward on Fairfield avenue, near Lavina street, about 2:30 o'clock this morning, and before Bert Simcoe, a chauffeur at the Randall garage, and a Fort Wayne doctor could realize what had happened, the right side of the machine was enveloped in flames. The two occupants escaped uninjured, but were unable to summon help in time to prevent a $600 or $700 damage to the machine. The fire was finally extinguished by the chemical engine.

When it was first purchased Mr. Griffin paid $3,500 for the car, which he has had for a year or two. Recently he had kept it at the Randall garage, on West Wayne street, and had allowed several other parties to use it while they were awaiting machines which they had ordered for themselves. The car had always been kept in good condition and while there is no way of telling exactly how the fire was started, it is thought there was a short circuit near the carburetor and that the spark was communicated to the float. It is probable the grease around the motor then became ignited and it was but an instant until the flames shot upwards.

The motor is undamaged and the engine is still of some value, but the body, steering apparatus, hubs and wheels and the fenders are a perfect wreck. The machine will require an almost entire rebuilding before it will again be of any value.

Not for two or three years has a similar mishap occurred in this vicinity and autoists have been priding themselves upon the few cars here that had been burned.

Majestic Theater Company to Be Reorganized for New Season.

Manager M. E. Rice, of the Majestic theater, announces plans for the resumption of stock company work at his theater, which proved so popular last year in supplying entertainment when the better road attractions were not available.

It is probable that two or three of the leading members of last year's company will be re-engaged, and in the selection of other members of the company an effort will be made to bring them fully up to the standard of the best of last year. The season was so successful in Fort Wayne that the Majestic management is deluged with applications for engagements with the new Majestic company. The new season will probably open late in August.

MAKES CHANGE IN RANK.

Advance in Grade Brings New Titles to Postal Employes.

Recent advances in salary to many of the Fort Wayne postoffice employes carries with it advance in rank to two of them. T. W. Blair, who has been chief mailing clerk, is now superintendent of mails, and Charles A. Beuret becomes officially superintendent of the money order department. Each received a salary advance of $100 on the year, making Mr. Blair's salary $1,400 and that of Mr. Beuret $1,300.

SAMPLE VERY DIRTY.

Dr. H. O. Bruggeman, secretary of the board of health, stated that he would apply to the mayor to have the license of George Neucamp, a local milk dealer, revoked. Not long ago he tested a sample of milk taken from his wagon and found it dirty. Since then he took another sample and found it contained more dirt than the first one.

HE GIVES AUBURN A $22,500 PUBLIC LIBRARY

Hon. Charles Eckhart Makes a Magnificent Donation to Home City.

[Special to The Sentinel.]

Auburn, Ind., July 16.—Announcement was made today that Auburn is to have a magnificent public library, to be erected at a cost of $22,500, as the gift of one of its most prominent citizens, Hon. Charles Eckhart, who will provide all the funds necessary for the enterprise.

When the movement to secure a public library had its inception some months ago, the matter was taken up with Andrew Carnegie, and the iron master readily agreed to make the necessary donation to the city under conditions identical with those surrounding similar gifts by Mr. Carnegie to hundreds of other American cities. The committee proceeded to select a site, secure plans and prepare to start work.

Now Mr. Eckhart has proposed that instead of accepting the Carnegie donation he be allowed to supply the funds, and his offer has been accepted by the library committee. The tender was made so modestly and with so little demonstration that it did not become public until today. Mr. Eckhart desires that the free public library in Auburn endure as his monument in the city which has long been his home, and in the development of which he has played so conspicuous a part.

Charles Eckhart, who is widely known all over Indiana, is essentially a self-made man. He came as a young man from Pennsylvania, and without assistance built up by industry and thrift the splendid fortune which he now enjoys. Mr. Eckhart is one of the wealthiest men in DeKalb county, and has long been engaged in business as a carriage manufacturer. He has been active for many years in the councils of the prohibition party, and has been its nominee for prominent offices on several occasions.

INDIANA UNION POWER OUT.

Occasioned Long Wait at Ossian by Fort Wayne Ladies.

More than half a hundred Fort Wayne ladies, members of the Degree of Rebekah, who attended a lodge gathering at Ossian last evening, were compelled to remain in that place until 3 o'clock this morning on account of an accident to the power of the Indiana Union traction lines. For a short distance north of Bluffton the Fort Wayne and Wabash Valley interurban uses the Indiana Union power, and in consequence the car which was to bring the Fort Wayne ladies home could not leave Bluffton until almost 3 o'clock this morning.

Traveling bags and suit cases, $1 to $25 at the Patterson-Fletcher store.

DYNAMITE OUTRAGE.

Second Attempt to Blow Up Home of Danville, Ill., Citizen.

Danville, Ill., July 16.—An attempt was made by unknown parties to blow up the residence of Samuel Baum, a wealthy retired farmer, at 1139 North Vermillion street, with dynamite last night.

This morning two sticks of dynamite, with their fuses burned within a quarter of an inch of the explosive, were found by a member of the family under a pantry. The explosive had been placed on wet grass and this caused the fire to burn out before the fuse burned. A year ago the same residence was dynamited, but no damage was done.

RAILWAY MAN KILLED.

Danville, Ill., July 16.—E. A. Green, a railroad man of Terre Haute, was ground to pieces under the wheels of a Big Four freight train at Hillery, near here, early this morning. He was walking on the tracks when struck. His body was scattered for fifty yards along the right of way.

T. D. LANE, Mgr.

CULLOP SEES FATAL FAULT IN TARIFF MEASURE

Holds That Defect in Its Title Renders the Bill Unconstitutional.

Washington, July 16.—An entirely new point, which sent the lawyers of the house of representatives on a search through their law books, was presented in a speech delivered yesterday by Representative William A. Cullop, of the Second district of Indiana.

Mr. Cullop has made what appears to be an interesting discovery. He has found a clause in the title of the tariff bill which he believes renders the whole act unconstitutional. He asserts that even if it passes it will not be worth the paper it is written on and, therefore, the special session of congress, which is costing the country so much bother and worry, will accomplish absolutely nothing, in his opinion.

Mr. Cullop submitted his speech, before he delivered it, to Champ Clark, the democratic leader of the house, and Representative Lloyd, of Missouri, chairman of the democratic congressional committee. They commended it and believe it will be used next year as a campaign document.

The title of the tariff bill is: "To provide revenue, equalize duty and encourage the industries of the United States, and for other purposes."

Mr. Cullop vigorously contends that the phrase, "to encourage the industries of the United States," invalidates the whole act.

Cites Court Decisions.

He presented to the house a long list of legal authorities and decisions bearing upon the subject. He read from a decision of the supreme court of California, as follows:

"To promote a public purpose by a tax levy upon the property in the state is within the power of the legislature, but the legislature has no right to impose taxes for the individuals connected with the private enterprise, even though the private interprise might benefit the local public in a remote or in collateral way."

The supreme court of Wisconsin has held that a law which seeks to "take money from the people by legal compulsion for a merely private purpose," is void because that is beyond the scope of legislation.

Similar decisions from the supreme courts of many other states were cited and Mr. Cullop then quoted from the supreme court of the United States as follows:

"To lay with one hand the power of the government on the property of the citizen and with the other bestow it upon favored individuals to aid private enterprises and build up private fortunes is none the less robbery because it is done under forms of law and is called taxation."

Summing up, Mr. Cullop said:

"Where does congress get authority to tax the people to encourage the industries of the United States? There is no such authority in the constitution and whenever raised, in whatever form, the courts have so held."

Boehne Says Bill is Damnable.

Representative Boehne, of the First district addressed the house today on the Aldrich bill.

"The more I study the present tariff bill," said he, "and the more researches I make into the different schedules the more unjust and damnable it appears to me. I can not comprehend how unbiased, disinterested, liberty loving, patriotic American citizens can defend such an outrageous measure, the title of which ought to be changed to 'a bill to legalize robbing the American consumer.'"

Mr. Boehne denounced the proposed corporation tax as unjust and inequitable and strongly supported an income tax.

BOWEL COMPLAINT IN CHILDREN.

When six months old the little daughter of E. N. Dewey, a well known merchant of Agnewville, Va., had an attack of cholera infantum. Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected a complete cure. This remedy has proven very successful in cases of bowel complaint in children and when given according to the plain printed directions can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to take, which is of great importance when a medicine must be gven to young children. For sale by all druggists.

TAKE CARE OF BAD TEETH.

Dental Authority Points to Dangers of Dyspepsia and Tuberculosis.

London, July 16.—In view of the effect of bad teeth upon race deterioration, declared H. R. F. Brooks, the president at the British Dental association in Birmingham, "there is urgent need for intervention by the state, even although the possible issue be state dentistry in some shape or form."

Bad teeth are an increasing evil, he said. Not only do they cause dyspepsia, but their agency in the production of tuberculosis can not be disregarded.

He quoted the results of examination of school children to show that those with bad teeth are among the most unhealthy, and to prove the benefits of early dental treatment.

CHAMBERLAIN'S COLIC, CHOLERA AND DIARRHOEA REMEDY THE BEST AND SUREST.

"It affords me pleasure to state that that I consider the preparation known as Chamberlains Colic, Cholera and Diarrhoea Remedy the best and surest of good results of any I have ever used in my family," says F. E. Herrington, of Mount Aerial, Ky. This is the universal verdict of all who use this remedy. Its cures are so prompt and effectual that people take pleasure in recommending it. For sale by all druggists.

SEES UNIVERSAL PEACE SOON.

Secretary of American Society Tells of Coming Meet.

Boston, July 16.—Officers of the American Peace society are sanguine over the prospects for influence on the public of the world in the coming international peace congress which meets in Stockholm Aug. 29 to Sept. 5. They point out that advocates of peace now command respect, whereas twenty years ago, when the first international peace congress was held in Paris, it was regarded as a meeting of impractical dreamers.

"In no other country is the cause of peace further advanced than in the Scandinavian," said Benjamin F. Trueblood, secretary of the American Peace society. "The friends of peace will find themselves very much at home in Stockholm. They ought to go in large numbers from all countries.

"Elaborate preparations are being made for the congress by the local committee on organization. It will have the direct support and patronage of the king and queen of Sweden, as well as of the leaders of parliament and of the municipality."

Superior to Lemonade.

Horsford's Acid Phosphate

A teaspoonful added to a glass of cold water, with sugar, makes a refreshing drink.

The new sanitarium at Spring Beach, Rome City, Ind., makes people hanny because it makes them well. 14-12t

AMERICAN DUCHESS IS TO BECOME A PRINCESS

Widow of Duke De Chaulnes Reported Engaged to Prince Murat.

Paris, July 16.—Society rumor asserts that another American girl is to become a princess. The young woman mentioned is the duchess de Chaulnes, who was Miss Theodora Shonts, formerly of Chicago, and the prospective bridegroom is Prince Joachim Murat, a social leader in Paris.

The prince's father denies that an engagement exists between his son and the youthful widow, whose first romance ended so tragically by the death of her husband only two months after their marriage. The duchess and her mother, Mrs. T. P. Shonts, wife of the president of the Interborough-Metropolitan of New York, refuse to say anything one way or the other regarding the reported troth.

Met at Society Party.

Prince Murat, as a member of a bachelor set which arranged a number of entertainments for Parisian hostesses last winter, met the duchess, it is said, at one of these parties about a year after the duc de Chaines died. The bachelor friends of the prince say that the young couple immediately were attracted to each other and that the romance said to have reached the stage of a betrothal dated from that time.

If a secret engagement exists, it will be the second in the life of Theodora Shonts, for marriage plans for her and De Chaulnes were announced only after repeated denials of a betrothal. They were married in New York on Feb. 15, 1908. The duc died on March 24, 1908. The duchess gave birth to a son on Nov. 17, 1908.

Scion of Great Marshals.

Young Joachim Napoleon Michel Murat, prince of Ponte-Corvo, born in Paris in 1885, is the great-great-grandson of two of the first Napoleon's famous marshals. His father, Prince Joachim, the fifth Prince Murat, is the son of a man born in the United States.

The first Prince Murat, Napoleon's famous cavalry commander, was the son of an inn-keeper. He rose to the rank of marshal, married Napoleon's sister, Caroline, and became king of Naples as Joachim I. The son of this couple, Prince Napoleon Lucien Charles Murat, born in 1803, went to America after the defeat and execution of his father in 1813.

Grandfather Born in Jersey.

There his son, Prince Joachim, grandfather of young Joachim of today, was born at Bordentown, N. J., in 1834. The Murats came to France in 1848 and the elder Murat became prominent in politics. He died in 1878.

In 1884 the present Prince Murat married Marie, daughter of the duke d'Eichingen. Prince de la Moskowa, the fourth to bear those titles, which come from the famous Marshal Ney, commander of the old guard at Waterloo, who was shot as a traitor in Paris after the fall of Napoleon.

PROPER TREATMENT FOR DYSENTERY AND DIARRHOEA.

The great mortality from dysentery and diarrhoea is due to a lack of proper treatment at the first stages of the disease. Chamberlain's Colic, Cholera and Diarrhoea Remedy is a reliable and effectual medicine, and when given in reasonable time will prevent any dangerous consequences. It has been in use for many years and has always met with unvarying success. For sale by all druggists.

Late yesterday afternoon the county commissioners contracted with A. J. Stewart, general roadmaster of the Fort Wayne, Cincinnati and Louisville railroad, for a temporary bridge across the St. Mary's river at Ewing street for use while the new Wells street bridge is being installed. The temporary bridge will cost $350.

This afternoon there was filed with Recorder Heller written articles incorporating the "D. N. Foster Furniture Company." The incorporators are D. N. Foster, with $45,000 stock; Mrs. Sarah S. Foster, with $1,650 stock, and O. A. Simons, S. M. Foster, W. L. Carnahan and William J. Kettler with one share of $50 each. The company is organized for twenty-five years.

Ratification of the nomination of Cleveland and Hendricks was conducted by Fort Wayne democrats in a monster meeting at the court house, with a parade, fireworks and addresses. Montgomery Hamilton presided, and the speakers of the occasion were Hon. Joseph K. Edgerton, Gottlieb Sihler, of New York; Hon. Robert C. Bell, Hon. Joseph A. Walden, of Alabama, Hon. Franklin P. Randall and Judge Edward O'Rourke.

HELP FOR THOSE WHO HAVE STOMACH TROUBLE.

After doctoring for about twelve years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctors' fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—SAMUEL BOYER, Folsom, Iowa. OUR POLICY

Ever since the incorporation of this bank in 1835 it has been its permanent policy to accord every courtesy and attention to those individuals and firms whose business requirements permit only moderate bank balances. Deposits small as well as large are cordially invited.

Henry C. Paul, President. W. H. Rohan, Cashier. OFFICERS Charles E. Bond, Vice-Pres Stephen Morris, Asst. Cash.

THE RECENT STATEMENTS published by the banks of this city should be highly gratifying to every citizen of Fort Wayne as well as to every customer of these successful institutions. Since the statements published on November 27, 1908, the four national banks of the city show an increase in deposits of $795,395.36, and of this amount this institution shows an increase of $335,719.37, or over 42.2 per cent of the whole.

We invite correspondence or interviews with banks, manufacturing and financial institutions, firms and individuals with a view to new business. The man or woman with the small accounts may be assured of as good treatment as the institution with a large account. We pride ourselves on giving a square deal to every customer, large or small.

ORNAMENTAL PLACE HOLDERS WILL LOSE OUT

Sweeping Reforms Planned for Foreign Service of United States.

Washington, July 16.—Hereafter there will be no purely ornamental places in the foreign service of the United States. While this cannot be said to be new policy it is the declared intention of the present administration and especially of the state deparment that there shall be no deviation from it. This rule will not be made to apply only to the diplomatic service but to the consular offices of the United States from the highest to the lowest.

In years past there have been many complaints that the consular service of the United States was, generally speaking, inefficient and of a much lower grade than that of many foreign countries having representatives in the United States. The state department officials themselves in previous years have acknowledged this and while the service has improved of late it has not made the rapid advance that is noticeable in the service of some of our foreign trade competitors.

Will Elevate the Service.

At present this government has in foreign countries 298 consuls and consuls general, with a large number of vice and deputy consuls, clerks, interpreters, etc., making a total of about 1,200, and it is the expressed determination of the state department to elevate the service in every possible way. A working familiarity with the subjects with which they have to deal is demanded to a greater extent than ever before. It is the purpose of the state department to unify the work of the diplomatic and consular services in the interest of greater efficiency. For many years it has been a matter of regret to the government that so many foreigners occupy subordinate positions in our consular service as deputies and clerks. This, however, has been largely a matter of inadequate compensation, but the policy from now on will be to substitute Americans for foreigners wherever it is possible to do so, and considerable progress has already been made in this direction.

Percentage of Foreigners Cut.

Within a comparatively short time the percentage of foreigners in our consular service has been reduced from 46.1 per cent to 18.8 per cent and the percentage of Americans in that service has resultingly been increased from 53.8 to 81.2 per cent. The percentage, however, applies only to clerkships paying $800 a year or less, but the work of weeding out foreigners will continue as long as Americans of the requisite capacity can be secured to fill the places. The department is very much in earnest in its efforts to secure for every branch of the service strong, vigorous men of capacity, who are willing to work and able to show results.

The same general policy will also be made to apply to our diplomatic service in the selection of ambassadors and ministers. Great wealth will not be the determining factor, nor will it be regarded as altogether desirable.

It is announced that no further appointments of ambassadors will be made until congress reassembles next December.

AT IT AGAIN!

Eight years ago when I started the Cut-Rate drug store I told you that I was in the business to stay. I successfully fought the drug trust for over five years but they became so strong that I had to take to the woods for awhile, as I found that I could not always do as I advertised and as that is the principle of my successful business policy I concluded to let matters take their course and as the drug trust said, be good.

Late developments in the courts have put me in a position to again defy the National Association of Retail Druggists, to which I never belonged and I will establish prices which will be from 25 to 50 per cent lower than the regular retail prices.

When needing medicines remember Rhoads, the original cut-rate druggist, 1001 Broadway. Phone 1528.

WILL GO AFTER FRUIT DEALERS.

Inspector Tucker Says They Must Cover Up Street Displays.

Inspector F. W. Tucker stated this morning that he will go after the fruit dealers and require them to cover up their street displays so that the flies cannot reach them. He says that where fruits that are not peeled or cooked before they are eaten are exposed they become covered with fly specks, which breed disease and that the law requires dealers to protect them. He says a recent examination at Indianapolis showed that a peach placed under a microscope after it had been exposed on a stand was so covered that the point of a pencil could not be placed upon it without touching a speck.

Sunday School Lesson, July 18, 1909

Lesson Text—Acts 17:1-15. Golden Text—Ps. 119:11: "Thy word have I hid in mine heart, that I might not sin against thee.

Recall how Paul and Silas were beaten and imprisoned in Philippi, instructed the jailer, and were afterwards released. Leaving Philippi they traveled along the Roman road for a hundred miles until they reached Thessalonica, an important city. Paul followed his usual custom, going to the Jewish synagogues and arguing that Jesus was the Messiah whom the Jews were expecting. A number were convinced, including Jews, Greeks, leading women of the city. A church was formed, to which Paul soon after wrote his epistles of I. and II. Thessalonians.

But the Jews who did not believe, jealous of Paul's success, got together the loafers and dregs of the town, and soon with the rabble gathered a mob. Going to the house of Jason where the missionaries had been staying, and not finding Paul and Silas, they dragged Jason and some of the Christians before the rulers of the city, charging them with entertaining men who were preaching treason to Caesar, for they were talking about another king whom they called Jesus. Troubled at this charge, the rulers put Jason and the rest under bail to keep the peace.

Paul and Silas were sent away at night to Beroea. Again they went into the Jewish synagogue and argued that Jesus was the Jewish Messiah. Here they were more favorably received. The Beroeans listened to them readily and then studied the scripture to see whether what they said was according to the Old Testament. As a result many became believers in Jesus as the Christ.

But the Jews of Thessalonica, not content with driving Paul and Silas out of that city, came down to Beroea and made such a disturbance that the Christians had to send Paul away; Silas and Timothy, however, staying for a time. Some of them took Paul by ship to Athens, and then returned with the command that Silas and Timothy should join him there as soon as possible.

Lesson Explanations.

V. 1. Passed through Amphipolis and Apollonia, leaving the Christians of Philippi and Thessalonica to evangelize these places. Thessalonica, a hundred miles from Philippi along the Egnatian Way. It is still an important city, now called Saloniki and having 100,000 inhabitants. Miss Ellen M. Stone, who was captured by the brigands of Macedonia and ransomed for $65,000, was a missionary at Salonica. A synagogue of the Jews. There were not enough Jews in Philippi for a synagogue, so they had only a place of prayer by the river; but Thessalonica had a synagogue.

V. 2. Three Sabbath days. We must not confine Paul's stay in Thessalonica to three weeks; the epistles to the Thessalonians show a longer stay. Acts simply indicates the beginning of his work which was in the synagogue. He remained in this city several months.

V. 3. Christ must needs have suffered. The Jews were prone to overlook the Old Testament passages which spoke of their Messiah as suffering. Paul declared "the Messiah is this man, the very Jesus whom I am proclaiming to you."

V. 5. Lewd fellows of the baser sort, better as in the Revised Version, "vile fellows of the rabble;" loafers and floats are found in every city as the material for a mob. The house of Jason, probably a Jew, at whose home Paul was staying.

V. 6. These that have turned the world upside down, rumors, though vague, of the wonderful effects of Christianity had already reached them.

V. 7. Another king, one Jesus. The charge was a very serious one, that of treason against the Roman emperor. It was calculated to cause great excitement.

V. 9. Taken security. They put Jason and the others "under bail to keep the peace," as we should say. It has been suggested that this was the reason why Paul could not return to Thessalonica for some time. (Compare 1 Thess. 3:18.)

V. 10. Berea, a smaller city than Thessalonica, fifty miles away.

V. 11. Received the word with all readiness of mind. They were ready to hear what Paul had to say, but they would not accept his teaching until they had seen whether it agreed with the Old Testament. This is the proper attitude for us to take today. The Beroeans stand for open-mindedness and scripture study.

V. 15. Athens, the great city of Greece. Timotheus, or Timothy.

S.S.S. CURES SKIN DISEASES

The cause of all skin diseases can be traced to some humor or acid in the blood; the cuticle is always healthy where the circulation is free from impurities. When the blood is infected with acrid or unhealthy matter it cannot perform its natural work of nourishing the skin, regulating its temperature and preserving its normal softness, pliability and healthfulness. Instead it irritates and inflames the delicate fibres and tissues around the pores and glands and produces some of the many forms of skin disease. The itching and stinging so often accompanying skin affections are produced by the deposit from the blood of the acrid humors with which it is filled, into the sensitive membranous flesh lying just beneath the outer covering, and surrounding the countless nerves, pores and glands. This explains why scratching the outer skin affords no relief from the itching and burning. S. S. S. cures Skin Diseases of every character by purifying the blood. It goes down into the circulation and removes the humors or acids which are causing the trouble, builds up the weak, acrid blood, and permanently cures every variety of skin affection. Local applications can only soothe; they never cure because they do not reach the blood. S. S. S. goes right into the circulation, reaches the trouble and cures it by removing the cause. HILLINGER HIT FOR HOMER IN THE FIRST

Cleans Up Bases and Beats Fort Wayne in the Opener.

Zanesville, O., July 16.—Bill Hillinger, a native of Fort Wayne, but at present attached to the local ball team, did more damage to the club from his native village yesterday than any Potter on the lot when he hammered out a home run in the first inning, cleaning up the bags which were clogged with Zanesville players. The rap was good for four runs and put the visitors under a big handicap.

Harry Hammond allowed but seven hits during the engagement, but most of them were made in the first two rounds, when the game was lost and in spite of a game battle the Fort Wayne club could do nothing with Ed Walker. The big fellow evened matters up. When the Potters were at Fort Wayne on their last trip the giant twirler had a round with them in which he was hammered to all corners of the lot. Yesterday he gave the club four hits.

Manager Montgomery is out of the game and he has already announced that there will be no double-header on Saturday to get rid of the game postponed from the first trip for the reason that his team is badly shot to pieces on account of injuries. Swartling is out and he is using his pitchers in every game.

In the opening round "Lefty" Houtz walked and went down on a pass and Wares beat out a bunt. Connolly also bunted and beat the throw to first, filling the sacks with Davy Loyd coming up. The second-sacker grounded to McDermott, who nipped Houtz at the plate; then Hillinger chipped in his home drive and cleared the decks.

Walker was passed in the second and scored on Houtz's three-base hit. Wares scored Houtz on a squeeze play. Hammond hit for three bases, after Uhl reached first on Sample's bobble in the second, and sent in one run. Blount scored the big pitcher with a hit and that ended the scoring. The score:

CENTRAL LEAGUE NOTES.

Alva Spangler had a chance to sign with South Bend, but refused unless he was given a contract for the season only. If he had been signed Kocher would have played at short instead of Kelly.

Runt Walsh has been sent out as scout for the South Bend team and is looking over the Southern Michigan and Wisconsin-Illinois leagues for promising material. He is out of the game with an injured shoulder and is putting in his time looking the youngsters over.

Grand Rapids Press: When the teams were ready to depart Wednesday night Raidy's only two available pitchers were Hagerman and Webb. Taylor dislocated his finger Tuesday and Humphries' little daughter was seriously ill yesterday. Up against it Raidy got hold of Deacon Brown and though the Deac had been released to Portsmouth, O., he was taken back and will be with the locals. Entering a nine-game series with two pitchers, or even three, is a precarious piece of business, particularly with double-headers scheduled for Evansville.

Listless playing and disorganization are given as the two causes of the failure to win games at Evansville and the releases of Spangler and Ferrias are said to have been given in the cause of harmony.

Zanesville Signal: Montgomery will be out of the game for at least three weeks. He will try to get out to the games in a buggy while his knee is hurting him so badly. Guy Sample will have charge of the team on the field. Monty was forced to view yesterday's game at Dayton from the ticker in the Beckel hotel.

Dayton is tired of trying to buy players from the big leagues and Manager Bade Myers will try to pick up some promising youngsters and develop them. The management has evidently given up all hope of winning with the present combination and is turning its attention to next season.

IN THE SHAMROCK FOLD.

Toney Fremer will play with the Fort Wayne Shamrocks until Manager Jack Hendricks calls him to join the Railroaders. He will play left field, Wiedman alternating back of the bat with "Monte" Hoffer in the double-headers scheduled.

A double-header will be played at League park next Sunday, and the bill looks like the best presented by the management this season. The Shamrocks' opponents will be the fast Krell-French team of New Castle, with Lacey and Orr, the star battery of last season's T.-O. league, carded to work in both games for the visitors. A feature that will make the matinee doubly interesting will be the presence of a big crowd of New Castle fans.

THIS RACE IS FIERCE.

Only Few Points Divide Head and Tail of American Association.

Louisville, Ky., July 16.—From the standpoint of competition the race for the American association 1909 pennant at this period is the most savage almost in professional base ball history. Between Milwaukee at the head and Kansas City at the foot of the league are but sixty-four points in percentage. The first six clubs are so bunched that the loss of a game or two would make the leaders second division members and those in sixth place in the van.

An illustration of the closeness of the race is given by comparison with other leagues. In the National league there are 431 points, between Pittsburg and Boston, first and last; while between Pittsburg and Chicago, first and second, are seventy-five points, eleven more than separate the tail-enders and the leaders in the "Association."

Between the first and the last of the American league is a dreary waste of 334 points.

THE SHOP AND RAILROAD NEWS

CROWD EXPECTED.

Railways Anticipate Big Business on Week-End Excursion.

Arrangements have been made by the Pennsylvania, the Nickel Plate and the Lake Shore to handle a big crowd tomorrow on the week-end excursion to Chicago. The train service will be increased accordingly and the great number of trains gives the traveler the opportunity to select the hour at which he will leave the city. The Nickel Plate and the Pennsylvania will each have a special train, the former leaving at 11 and the Pennsylvania at 9 o'clock tomorrow morning and in addition to this service the roads announce two or more sections of the regular trains. The Pennsylvania will have seven trains that will carry excursionists and the Nickel Plate will have five. The main part of the business from this city will go over these lines, because of it being the quickest and most direct route, but the Lake Shore expects quite a number of passengers also, who go to meet friends from the towns north of Fort Wayne and accompany them to the Windy City.

BLOOD POISON IN HAND.

Fred Martin, a Pennsylvania fireman, is at St. Joseph hospital for treatment for blood poisoning. Several days ago, while out on a trip over the division, he attempted to operate the shaker bar, when it slipped from the grates and his left hand was driven against a part of the locomotive with force sufficient to severely bruise and cut the member. His present trouble has arisen out of this accident. A telephone message from the hospital this afternoon stated that Mr. Martin was getting along first rate and no serious results from the accident are apprehended.

CRIPPLES RETURN TO CHICAGO.

The Pennsylvania placed an extra coach on its accommodation train No. 39 at noon today to carry the fifty or sixty crippled children from Chicago to their homes. The little ones had been at Winona for two weeks, enjoying an outing provided for them by some charitable association.

NEW TICKET OFFICE.

The G. R. & I. has opened a ticket agency at the Kneipp sanitarium, at Rome City, and installed J. B. Schafer ticket agent and baggagemaster therein. The office was opened July 12.

INDUSTRIAL NOTES.

Pennsylvania Engineer Otto Rost has gone to the lakes for a few days' recreation.

J. B. Fawcett resigned a position at the Wabash shops this morning and will leave the city.

Chief Electrician Frank Lane, of the Wabash, is in the city today on business for the company.

W. O. Smith, of the Lake Shore road, is here today to inspect some car wheels for the company.

H. E. Lonergan, Henry Reiter, W. Ferguson and C. Burkas, Pennsylvania shopmen, are sick and off duty.

Charles Heidenrich, a fluemaker, has recovered from his recent illness and taken his old place in the shops.

Daniel Meyers is absent from his duties at the factory of Rhinesmith & Simonson on account of sickness.

Louis Kloepper, a Wabash pipefitter, had the palm of his left hand badly bruised yesterday while handling a spanner.

Samuel L. Wass, jr., of the Rhinesmith & Simonson factory, was presented with a ten-pound baby daughter last night.

Fred Baus, a boilermaker's helper at the Wabash shops for the past five years, resigned yesterday to take a position at the Pennsylvania round house.

Nickel Plate Conductor A. B. Conn and Brakeman W. G. Robertson, accompanied by their wives, will go to Buffalo, Niagara Falls and Toronto early next week on a sight-seeing tour.

Ed C. Rose, of Chicago, chief correspondent for the Turnock Medical company, will arrive in the city today for a visit with his father, A. C. Rose, a tool clerk at the Fort Wayne Electric works.

Ed Leammele, of the Wabash boiler shop, went to Peru this morning to see his brother William, who had a knee severely injured several days ago and went to the hospital in that city for treatment.

Operator John E. Eylenberg, of the Wabash, has gone east with his wife to spend a vacation. He will devote most of the trip to a visit with relatives at Interlaken, N. J., but will also stop at the Falls.

Engineer J. C. McCarthy, of the Pennsylvania, who has been suffering for the past three months with an affection of the liver, is now slowly improving and is about the streets but not able to work.

H. A. Marchant, who had been off duty on account of the death of a relative, a little nephew, resumed his duties as clerk to General Foreman P. J. Sweeney, of the Pennsylvania electrical department.

Machinist Ed C. Tierney, who had been quarantined on account of his son having diphtheria, has been released and this morning reported for work at the Pennsylvania round house. He was quarantined about two weeks.

Tomorrow Oscar Ankenbruck, of the Pennsylvania offices, will leave upon a two weeks' vacation trip. He will pay a short visit to New York, Atlantic City, Washington and then go up into the Catskill mountains to spend the remainder of the time.

Next Monday night P. F. Merritt and L. G. Otten, of the motive power offices of the Pennsylvania, will leave for northern Michigan to spend a ten days' vacation. They will visit Mackinac Island, St. Ignace, Cheboygan and other places of interest.

Charles H. Kraft, a machinist's helper, resigned a position at the Wabash shops this morning to go to Auburn to work at his trade. He is a molder, but getting out of work in that line he took the position at the Wabash shops he has now relinquished.

Ellis E. Deahl, stenographer at the Nickel Plate offices, who is spending a vacation at Buffalo, writes that his uncle, Joseph Deahl, formerly of this city, had the misfortune to lose a finger while at work in a mill at Buffalo last week. Joseph Deahl was employed as caller by the Nickel Plate in this city ten years ago.

John A. Zellers, Pennsylvania traveling fireman, will take a two weeks' vacation, beginning next Tuesday. He will spend a greater portion of the time at Washington, D. C. The fact that Mr. Zellers has applied for transportation for only one is taken as evidence that the rumor that he is to be accompanied by a bride is false.

Vincent Shea, the clerk at the Wabash freight house, who had his lips poisoned by a tin whistle, as mentioned in these columns yesterday, went to the Peru hospital this morning, in a bad way physically. The sharp edge of the whistle punctured his lip slightly and from that wound developed a very serious case of blood poisoning.

The persons who contemplate a trip to Niagara Falls this summer will have the choice of numerous dates. The Wabash and the Pennsylvania each announce one excursion in the early part of August and the Nickel Plate has just issued bulletins announcing that excursion tickets will be sold over that line on seven different days in August, 3, 5, 10, 14, 17, 19 and 26.

C. L. Bitner is laid up for a few days with a lame foot, the result of an apparently insignificant burn. A scale of hot iron got in his shoe, inflicting a slight wound, which was given no attention at the time. Later, however, the wound has taken on a more serious aspect and for fear it should develop into blood poisoning Mr. Bitner has taken a lay off and is taking a course of treatment.

Next week C. L. Reinking, of the East Car shops, will go to Cleveland for a visit. Miss Mary Bennett, daughter of Car Inspector D. Bennett, will go to Richmond Monday; Mrs. B. M. Spore, wife of a Pennsylvania car builder, will go to Bucyrus; W. E. Shuster, of the East Car shops, goes to Alliance Monday, and F. Lepper, a patternmaker, and his family go to Chicago Sunday morning with a party of friends.

The Misses Della Laughlin and Kate Hartman, of the General Electric Lamp works, emphatically deny the story published in the Journal Wednesday morning and reproduced by the evening papers that they are en route to New York, stopping at various cities to work and earn money to pay fare and other traveling expenses. The young ladies are at work in this city as usual and declare the story to be a fabrication inspired by some one who wished to do them an injury or play a joke.

In a case charging violation of the full crew law by the Pennsylvania company at Richmond, Ind., the company was acquitted. The suit was instituted by the state railroad commission at the request of the railway employes, the allegation being that the trains sent out of Richmond were not accompanied by the required number of brakemen. The defendant claimed that the law did not affect yards and that its railway yards extended from Richmond to a point beyond the state line into Ohio and the investigations sustained the company in its claim and dismissal of the case followed.

AT THE CASINO.

The great Crown Point auto race is now being shown in moving pictures at the Casino today and tomorrow. Showing the great race from start to finish. These pictures were taken at the time of the race and show all the exciting incidents that happened at the time. Cars turning completely around in their course, "break downs," "accidents" and numerous other exciting things take place. One would imagine himself right at the race, as the great cars speed by in their course. The picture is perfect in every detail, although it was taken under great disadvantages. Mr. Mollet, the manager of the Casino, is congratulating himself to think he was fortunate enough to get this film first, as no doubt it will make a great hit among the automobile men of the city.

MORE BIRTHS

Than Deaths in Indiana During the Month of May.

Indianapolis, Ind., July 16.—Dr. J. N. Hurty, secretary of the state board of health, issued his bulletin today for May. It shows that the average death rate was 12 for each 1,000 population. The rate in the cities exceeding 10,000 population follows:

Indianapolis, 14.5; Evansville, 11.3; Fort Wayne, 13.9; South Bend, 14.8; Anderson, 14.1; Columbus, 18.8; East Chicago, 26.8; Elkhart, 14.5; Elwood, 16.2; Hammond, 11.2; Jeffersonville, 10.8; Kokomo, 13.7; Lafayette, 21; Laporte, 7; Logansport, 14.1; Marion, 7.8; Michigan City, 14.1; Muncie, 14.8; New Albany, 15.3; Peru, 12.4; Richmond, 13.2; Vincennes, 8.4.

There were 4,163 births in the state in May. Of these 2,166 were male and 1,997 female; 2,123 of the whites were male and 1,962 were female; 43 negroes were male and 35 female.

The birth rate was 18.5 for each thousand population, the excess of the birth rate over the death rate being 4.2. The highest birth rate was 32.5 in Warren county, and the lowest 8.4 in Pulaski county.

Superintendent of Transportation Hardy and Auditor Vordermark, of the Fort Wayne and Wabash Valley, will go to Indianapolis tomorrow to attend a traffic association meeting.

PAINFUL TREATMENT OF SCIATICA

Left Patient in Worse Condition Than Before—When Blood Was Restored Health Followed.

Of the many forms which rheumatism takes, that which is popularly known as sciatic rheumatism probably tortures its victim more than any other. That Dr. Williams' Pink Pills have cured this stubborn as well as painful trouble is a fact proved by the following statement, and no sufferer who reads this can afford to let anything stand in the way of trying this treatment.

The cure of Mr. George H. Owen, of No. 44 Lincoln Street, South Framingham, Mass., is convincing proof of the superiority of the tonic treatment with Dr. Williams' Pink Pills over the usual medical treatments for sciatica. Mr. Owen is an engineer with the Dennison Mfg. Co., where he has been employed for over 36 years. Of his cure, Mr. Owen says:

"Through overwork and a bad cold, which settled in my back, I was attacked by sciatica in my right leg several years ago. I was bent over with pain which was continually present. It grew so much worse that the doctor recommended a blistering plaster. Then my leg was lanced and the pain relieved by injections of morphine. After all this treatment for the sciatica I was left in a run-down condition and my doctor failed to build up my strength.

"My blood was in poor shape and I had no appetite. I was restless at night. There was a constant, dull ache across my back. During my sickness I was often confined to my bed and lost in weight from 168 pounds to 118 pounds.

"I was in despair of ever getting better but fortunately Dr. Williams' Pink Pills were recommended to me by some friends. The pills soon had my blood in good condition but, I took them steadily until I was fully restored to health. I am very grateful for the benefit Dr. Williams' Pink Pills gave me and always recommend them."

If you are suffering from sciatica and the treatment you are taking is not relieving you, or if you are actually getting worse while taking other treatment, then do not delay but give Dr. Williams' Pink Pills a thorough trial. The remedy that cures others will cure you.

Dr. Williams' Pink Pills are sold by all druggists, or will be mailed, postpaid, on receipt of price, 50 cents per box; six boxes for $2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

57TH ANNIVERSARY

57,000 PRESENTS TO BE GIVEN AWAY.

The most gigantic birthday celebration in the history of Fort Wayne will be held by Meyer Bros. Co. in their three stores during the next week.

Meyer Bros. Co. have extended a cordial invitation to the whole of Fort Wayne to help celebrate their birthday.

Beginning Monday morning their stores will be opened to the public in the way of a public reception and will be held every day in the week during the anniversary celebration.

In commemoration of the event—surprise bags—each containing souvenir cards, samples of merchandise, etc., will be given away to every customer who comes in and makes a purchase. The condition made in reference to making a purchase is on account of a past experience the company had when the store was crowded with children and regular customers found it hard to get around and at frequent intervals not inside the door.

This year they have sought to equalize matters by giving generously to every child or adult who makes any purchase. For several weeks their employes have been busy preparing for this week's celebration in unpacking more and seasonable goods, in trimming up the store and filling up the birthday bags for free distribution to the purchasers. Only useful articles are selected such as soaps, perfumes, toilet powders, tooth powders, and numerous standard preparations. Aside from the fact that all of the articles have an intrinsic value many of them are unique in design and will be valued by many as souvenirs.

Since the organization of Meyer Bros. Co. they have occupied a distinct position in the retail drug trade. They have carried out and are still carrying out methods both unique and extraordinary in the realm of retail drug trade and have so established themselves in the field that the offers of jobbing and exclusive agencies for all drug lines invariably are offered them first. This fact is evidenced in their having been appointed agents for the now well known following lines: The Rexall Remedies, Fenway Candy, Harmony Perfumes and Toilet Preparations, etc., and only last spring Meyer Bros. Co. were consulted by the manufacturer of By-lo Talcum Powder in outlining an advertising campaign for By-lo Talcum Powder, for which Meyer Bros. Co. are Fort Wayne jobbing agents, and sell it now to all other local druggists. Later on the By-lo Talcum Powder people intend to cover Indiana and all the United States on the lines suggested by Meyer Bros. Co. for Fort Wayne.

One of the many reasons for the phenomenal success of Meyer Bros. Co. has been in the absolute confidence customers have in making any purchase there—the customer's absolute safety hinging on an important factor in their business policy in which a rule is laid down that every customer must leave the store satisfied—this is accomplished by the company's readiness to refund money whenever goods are returned. Furthermore the purchaser of small articles has always received the same courteous attention that has been given to those who purchase largely.

From an insignificant beginning fifty-seven years ago when one store and a few employes were able to look after the business needs of the company, Meyer Bros. Co. has made one series of gigantic strides forward until today three stores and nineteen employes are regularly employed.

That there is some potent factor in this phenomenal growth none can deny. It may be found in any one of their business mottos—"Quick Sales and Small Profits," "Every Purchaser a Satisfied Customer," "Satisfaction or Your Money Back," but above all the fundamental principle, "Quality Shall Always be Maintained."

The complement of expert help which Meyer Bros. Co. have always employed has played an important part also. Still another fact which must be taken into consideration in an effort to explain the wonderful growth of Meyer Bros. Co. is the fact that drugs, medicines, chemicals and drug store goods of the very best obtainable qualities only have entered into their stores and are used in compounding of all their preparations and sold over their counters.

In appreciation of the support given by Fort Wayne people to Meyer Bros. Co. in their business career they are offering during their 57th birthday week's celebration some very generous pricings throughout their entire stores, this making a double inducement to patrons to visit them during birthday week.

The Sentinel wishes Meyer Bros. Co. and their capable employes nothing worse than that their 57th birthday week may be the hardest week's working they have ever known in the drug business and we believe the 68,000 residents of Fort Wayne will each and every one give them something to do during Birthday Week.

Their full page Birthday announcement appears on page 8.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Paw Paw, Mich.—"I suffered terribly from female ills, including inflammation and congestion, for several years. My doctor said there was no hope for me but an operation. I began taking Lydia E. Pinkham's Vegetable Compound, and I can now say I am a well woman."—EMMA DRAPER.

Another Operation Avoided.

Chicago, Ill.—"I want women to know what that wonderful medicine, Lydia E. Pinkham's Vegetable Compound, has done for me. Two of the best doctors in Chicago said I would die if I did not have an operation, and I never thought of seeing a well day again. I had a small tumor and female troubles so that I suffered day and night. A friend recommended Lydia E. Pinkham's Vegetable Compound, and it made me a well woman."—Mrs. ALVENA SPERLING, 11 Langdon St., Chicago, Ill.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to many suffering women.

THE MARKETS

GRAIN AND PROVISIONS.

Chicago Market.

Chicago, Ill., July 16.—Wheat for July delivery today opened at $1.21 to $1.21½, a loss of 1½@2c, compared with yesterday's close. Other deliveries opened fairly steady, with prices ⅛c lower to ¼c higher. During the first few minutes of the trading July dropped to $1.20¼.

Traders in general were bearishly inclined, owing to continued clear weather in the harvest belt in this country and ignored for a time the firmness of the Liverpool market, which was up ⅛d to ¼d despite the break here yesterday. The early decline, however, brought out considerable covering by shorts, which caused a rally of more than 2c in July and 1c in the deferred months, July advancing to $1.22¾.

The wheat market was nervous during the remainder of the day, especially for the July delivery. The high point of the day for July was touched at $1.23. The market closed irregular, July being weak and 1¼c lower at $1.22, while the deferred months were firm.

Increased receipts of corn here prompted liberal realizing sales in July, which sold in a break of 2c in the price of that option. July opened 1¾c lower at 70c to 71c and sold off to 69⅝c.

The low point for July was 69½c. The close was weak, with July off 1⅞c at 69¾c.

The market for all deliveries of oats was extremely heavy. July opened ½c to ⅝c lower at 47⅞c to 48c and sold off to 47½c.

Provisions were easy, despite a 5c to 10c advance in like hogs. Prices at the start were off 2½c.

The Close.

Prices at the close were as follows:

Wheat—July, $1.22; September, $1.11¾; December, $1.08½; May, $1.10⅞.

Corn—July, 69¾c; September, 65⅛c; December, 56c; May, 56¾c.

Oats—July, 47½c; September, 41⅞c; December, 42½c; May, 44⅝c.

Rye—Cash, 81½c; September, 79@80c.

Timothy—September, $3.70.

Barley—Cash, 66@73c.

STOCKS AND BONDS.

The Day on Wall Street.

New York, July 16.—The opening movement of prices of stocks today was sluggish and poorly defined. Interest continued largely centered in United States Steel in which the opening sales were 7,000 shares at 71¼. Delaware & Hudson declined ¾ and St. Louis & San Francisco second preferred rose 1 point.

Profit taking in United States Steel, which cost it ⅝ point, put damper on the market and there was a slight yield in prices all around. Trading also became very dull on the decline, but the tone became better and activity increased later when United States Steel rose to 71⅝ and the preferred stock 1¼ to 127½. Sloss-Sheffield Steel sagged a point.

The advance in United States Steel to 72 held the whole market firm. Louisville & Nashville rose 1½, Kansas & Texas 1¼ and American Car and Amalgamated Copper 1. Bonds were irregular.

United States Steel continued its striking advance and touched 72½ before 1 o'clock. The preferred made an even more substantial gain to 128¼, which was 2 points above yesterday's last price. Some other metal stocks were also strong. Reading second preferred gained 2 points. Republic Steel preferred and American Car preferred 1½ and American Steel Foundries 1.

The buying of United States Steel stocks fell off, but still made up most of the business. There was some wakening of interest in the railroad section. Louisville & Nashville was marked up 2½. St. Louis & San Francisco second preferred and Atlantic Coast Line 2, Norfolk & Western 1.

The market closed steady, but almost lifeless. United States Steel touched 72¾. The gain for the preferred touched 122⅝. This was the only incident in an otherwise baren market. Small concessions were made in the general list.

LOCAL MARKET EPITOME.

Fort Wayne had another rather quiet wholesale market today, as the farmers seem not to be through with their cutting. There were no change in the prices and demands ran about the same.

Said G. H. Crouse, of the commission house of G. H. Crouse & Co., this morning: "The probabilities are that with nice weather again tomorrow our wholesale market will again be light. The retail market, however, is certain to be good. We look for no quotation changes tomorrow."

No changes at all today in the local markets.

CITY BREVITIES.

W. H. Langham, of Antwerp, O., is a business visitor in the city today.

Frank Rahe, of the Foster furniture store, will go to Chicago and Grand Rapids tomorrow to visit the furniture markets.

Col. and Mrs. D. N. Foster, who accompanied the remains of Mrs. Foster's sister, Miss Pyne, back to Hamilton, N. Y., will not return for a week or so. Mr. Foster is engaged in attending to the settling of Miss Pyne's estate which is requiring some time.

Hon. J. M. Barrett is at home from Roaring Brook, Mich., for a few days to look after professional matters.

Miss Emma Gaszner, who has been chief clerk in the Western Union offices in this city, has resigned her position and will join her brother in Chicago.

Miss Flora Diffenbaugh, telephone operator at the Anthony hotel, has gone to Chicago and the vacancy has been filled by Miss Bertha Silberg.

Judge Sol A. Wood is at Warsaw on legal business.

Judge V. S. Eby, of Cassopolis, Mich., is attending to some business matters while on a short visit here.

Monroe W. Fitch & Sons' Bulletin

Life of a Pimple

Complexions Are Cleared and Pimples Disappear Overnight Without Trouble.

The dispensers of poslam, a new skin discovery, ask that notice be given that no one is urged to purchase it without first obtaining an experimental package. Everyone who has tried it will find that the fifty-cent box on sale at Meyer Brothers' and all drug stores, is sufficient to cure the worst cases of eczema, where the surface affected is not too large. The itching ceases on first application. It will also cure acne, tetter, blotches, scaly scalp, hives, barber's and every other form of itch, including itching feet. Being flesh-colored and containing no grease, the presence of poslam on exposed surfaces, such as the face and hands, is not perceptible. Water and soap cannot be used in connection with it, as these irritate and prolong skin troubles, sometimes even causing them.

As to the experimental package of poslam, it can be had free of charge by mail of the Emergency Laboratories, 32 West Twenty-fifth Street, New York. It alone is sufficient to clear the complexion overnight, and to rid the face of pimples in twenty-four hours.

CITY BREVITIES.

Humane Officer L. C. Schlaudroff is in Antwerp, Ohio, today upon business for the county board of guardians.

It is expected that Mrs. Peter Cosentino, wife of the commission merchant who left the city very suddenly about the 1st of June, will remove with her children to the home of her parents in New York.

Mrs. R. S. Taylor has received word of the death of her sister, Mrs. Mary Wright, at her home in Randolph county. Mrs. Taylor and Mrs. Wright were two of a family of seven children, the youngest of which was seventy-one years of age and of which Mrs. Wright is the first to die.

A few hours after her twin sister, Miss Emma Doenges, has been operated upon for appendicitis at the Lutheran hospital Thursday morning, Miss Anna Doenges was taken to the hospital and the surgeon's knife applied to her for the same purpose. Both are young women and are said to be recovering very satisfactorily.

THE TENNIS OFFICERS.

Officers of the Fort Wayne Lawn Tennis association were elected at a meeting last evening in the office of Arthur W. Parry in the Seidel block, with the following result: President, Dr. Miles F. Porter; vice president, Walter R. Seavey; secretary and treasurer, A. E. Zucker. Among the tennis organizations represented were Lawyers' and Doctors', Pontiac, Lakeside, West End, Pick Wick, South Side and Shoaff's.

FOR CONSTIPATION.

We are so positive Rexall Orderlies will promptly relieve constipation that we offer to furnish the medicine free of all cost if the user is not satisfactorily benefitted. Surely we could offer no better argument as to why you should try Rexall Orderlies. They are particularly pleasant, are eaten like candy and may be taken at any time of day or night without inconvenience. Two sizes, 10c and 25c. Meyer Bros. Co. Three Drug Stores. The Rexall Store.

CATARRH CANNOT BE CURED with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials free.

HEAR of B. F. STOUT'S DEATH.

Former Fort Wayne Man Died Suddenly at His Home in New York.

Fort Wayne friends of the Benjamin F. Stout family, which formerly resided in this city, recently have heard of Mr. Stout's sudden death at his home in New York, from paralysis. The demise occurred several weeks ago and the remains were interred at Urbana, Ill. He was 75 years of age.

Previous to his leaving this city five or six years ago, Mr. Stout was engaged in the life insurance business. For a few years while in New York he aided his daughter, Miss Nellie Stout, in conducting a millinery store on Broadway.

During the family's residence here, the members were attendants at the West Jefferson Street Church of Christ.

RANDALL HOTEL ON WEDNESDAY, JULY 21.

Where There is So Much Smoke

There is Always Some Fire.

When people talk about one thing and keep on talking as they do about the discovery that created so much newspaper comment in Fort Wayne and other cities during the past summer, even though many reports may be exaggerated, there must be some merit in the discovery, and when people spend their money for a thing and then buy more of it, proof of merit becomes so convincing that it becomes the duty of every person in need of Root Juice to go to the drug store and get a bottle of this much talked of remedy. Root Juice cures rheumatism and catarrh because it puts the filtering machines of the body to work and causes them to filter the impurities of the blood. Root Juice cures stomach and bowel troubles because it removes irritated and ulcerated conditions from the mucous linings and causes a natural flow of digestive fluids. Root Juice is so good for female weakness because it tones and heals the organs that make and filter blood.

Good, rich blood will nourish and strengthen every weak part of the body. Root Juice is sold for one dollar a bottle, or three bottles for two dollars and a half at Bradley Bros. drug store, just north of Transfer corner, successors to Wagner drug store.

CHANNEL FLIGHT A FIASCO.

London, July 16.—Special dispatches received here from France say that the proposed channel flight of Herbert Latham, the French aviator, has ended in a fiasco and that Latham's return to Paris this morning marks the definite abandoning of the enterprise.
